and Social Research Council funded research seminar series      **Global Perspectives on Amateur Film Histories and Cultures** Masha Salazkina, Enrique Fibla-Gutiérrez, 2021-01-05 For too long the field of amateur cinema has focused on North America and Europe In *Global Perspectives on Amateur Film Histories and Cultures* however editors Masha Salazkina and Enrique Fibla Gutiérrez fill the literature gap by extending that focus and increasing inclusivity Through carefully curated essays Salazkina and Fibla Gutiérrez bring wider meaning and significance to the discipline through their study of alternative cinema in new territories fueled by different historical and political circumstances innovative technologies and ambitious practitioners The essays in this volume work to realize the radical societal democratization that shows up in amateur cinema around the world In particular diverse contributors highlight the significance of amateur filmmaking the exhibition of amateur films the uses and availability of film technologies and the inventive and creative approaches of filmmakers and advocates of amateur film Together these essays shed new light on alternative cinema in a wide range of cities and countries where amateur films thrive in the shadow of commercial and conventional film industries      **Theatre, Media and National Integration in a Globalising World** Liwhu Betiang, Esekong H. Andrew-Essien, 2022-06-27 Every social change engenders new models and paradigms to manage evolving conflicts The colonial configuration and post colonial contradictions globalising tensions and local efforts at democratisation and development have escalated the threat of national disintegration in Nigeria This book shows how the cultural instruments of theatre and media can be used to provide viable options for negotiating the contradictions of the nation state within the fluxes of global re configuration Beyond expanding the literature of how theatre and media have been deployed for differing interventions the methods and articulation here provide statesmen politicians and policy makers who want to look for alternative methods for national engineering for viable nationhood Like the Freirean legislative theatre method this book builds on the creative potentialities of people's cultural resources to galvanise the nation state Beyond this the globalising era creates a common global community despite discordant local effects and reactions the experiences documented from Nigeria in the global South will provide possible models for similar global settings The candour and frankness of the contributors to this book make it irresistibly inviting reading      Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary, 1975      **Benedict Cumberbatch: Transition Completed** Lynnette Porter, 2014-11-21 *Star Trek Into Darkness* *The Fifth Estate* *12 Years a Slave* *August Osage County* *The Hobbit* *The Desolation of Smaug* these would be milestones in most actors entire career For Benedict Cumberbatch roles in these films are merely a year's additions to his already vast resume 2013 proved to be the final step in Cumberbatch's transition from respected working actor to bona fide worldwide celebrity and recipient of BAFTA Los Angeles Britannia Award for British Artist of the Year Like its predecessor *Benedict Cumberbatch In Transition* MX Publishing 2013 *Benedict Cumberbatch Transition Completed* Films Fame Fans explores the nature of Cumberbatch's fame and fandom while analysing his most recent roles This in depth performance

biography does more than critique the actor's radio stage film and television performances especially his star turn in the long awaited yet controversial third series of Sherlock It also analyses how and why the actor's work is so memorable in each role a perspective unique to this performance biography Cumberbatch's role in popular culture as much as his acting in multiple media is well worth such scrutiny to illustrate that Benedict Cumberbatch represents both the best of acting and of the power of celebrity

**Focus On: 100 Most Popular Nonlinear Narrative Films** Wikipedia contributors, [Press Freedom as an International Human Right](#) Wiebke Lamer, 2018-02-27 This book examines why press freedom has not become part of the established international human rights debate despite its centrality to democratic theory It argues that an unrestricted press is not just an important economic actor but also an influential power in the political process a status that interferes with government interests of sustaining their own power and influence Despite the popularity of ideational explanations in the field of human rights studies in the case of promoting press freedom considerations of power and strategic interests rather than ideas dominate state behavior The author makes the case that the current place of press freedom in the human rights debate needs to be rethought not only in developing countries but in liberal democracies as well

**Media Corruption in the Age of Information** Edward H. Spence, 2021-05-21 This book provides an applied model of corruption to identify analyse and assess the ethics of major types of corruption in the media involving practices such as cash for comment media release journalism including video news releases VNRs fake news deep fakes and staged news The book starts with a conceptual philosophical analysis of corruption in general followed by an in depth analysis of media corruption across its various transformations from the legacy media of the 4th Estate e.g. The UK Guardian to the digital media of the 5th Estate e.g. Social Media and Wikileaks to the Network Media of the 6th Estate e.g. Facebook and Google and provides key case studies as practical illustrations and contextualisation of those major types of media corruption It explains how the conversion of the two forms of media communication corporate and social digital communication as expressed in the symbiotic relationship between the 4th Estate and the 5th Estate exposes and enables the reporting of corruption signalling a major shift in the way the media itself can provide an effective means for anti corruption measures against major practices of corruption that would have otherwise gone unnoticed

**Ethics and the Media** Stephen J. A. Ward, 2011-09-15 This book is a comprehensive introduction to media ethics and an exploration of how it must change to adapt to today's media revolution Using an ethical framework for the new mixed media ethics taking in the global interactive media produced by both citizens and professionals Stephen J. A. Ward discusses the ethical issues which occur in both mainstream and non mainstream media from newspapers and broadcast to social media users and bloggers He redefines traditional conceptions of journalistic truth seeking objectivity and minimizing harm and examines the responsible use of images in an image saturated public sphere He also draws the contours of a future media ethics for the new mainstream media and puts forward cosmopolitan principles for a global media ethics His book will be invaluable for all students of media and for others who are interested in media ethics
