Fifth Gospel A Verse By Verse New Age Commentary On The Gospel Of Thomas:

The Fifth Gospel Robert Winterhalter, 1988 *Hidden Gospels* Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity *Nag Hammadi Texts and the Bible* C.A. Evans, Webb, R.A. Wiebe, 2019-07-01 This volume places in synoptic form parallel texts from Nag Hammadi and from the Bible This will enable scholars of Coptic Gnosticism as well as scholars concerned with early Christian biblical interpretation to make the comparisons necessary to determine relationships and what dependence if any there may be between these two bodies of material This volume should facilitate the discussion concerning the origin antiquity and relationship of Gnosticism to Christianity The volume also contains an extensive bibliography of materials relevant to this topic Finally a Scripture index will make it possible for the reader to find quickly any desired passage **Polemical Encounters** Olav Hammer, Kocku von Stuckrad, 2007-09-30 In its historical development from late antiquity to the present western esotericism has repeatedly been the issue of polemical discourse This volume engages the polemical structures that underlie both the identities within and the controversy about esoteric currents in European history From Jewish and Christian kabbalah through heretical discourse and interconfessional polemics in early modernity to the legitimization of esoteric identity in modern culture the 12 chapters accompanied by an editors introduction provide a cornucopia of relevant cases that are interpreted in a framework of polemical discourse and Othering This volume sheds new light on the ultimately polemical structure of western esotericism and thus opens new vistas for further research into esoteric discourse *Nag Hammadi Bibliography 1970-1994* David Scholer, 2020-10-26 This is a sequel to the immensely useful Nag Hammadi Bibliography 1948 1969 which was the first volume to appear in the Nag Hammadi Studies series The volume provides a complete integration of Supplements I XXIV to the Bibliography as published in *Novum Testamentum* 1971 1997 with additions and corrections In total the update contains over 6092 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in

these fields *Jesus in an Age of Controversy* Doug Groothuis, 2002-01-22 Who is this man Jesus An ordinary man about whom the early Christians made up extraordinary stories A spiritual guru or master who tapped into a cosmic consciousness that we can all aspire to Or is he the unique Son of God Best selling books challenge us to rethink our ideas about Jesus The Jesus Seminar makes headlines with its systematic attempts to undermine the accuracy of the Gospel accounts New Age teachings about Jesus have found their way into many pulpits In response to this confusion *Jesus in an Age of Controversy* provides a straightforward easy to understand study of the questionable foundations and faulty conclusions of these new views This important book provides the historical and logical evidence that confirms biblical teachings about Jesus It will enable you to defend your faith against attack help those struggling with questions and doubts and encourage you with the overwhelming weight of evidence that confirms that Jesus is the only Savior and Lord *When the Gods Were Born* Carolina López-Ruiz, 2010-06-15 With admirable erudition Lopez Ruiz brings to life intimacies and exchanges between the ancient Greeks and their Northwest Semitic neighbors portraying the ancient Mediterranean as a fluid dynamic contact zone She explains networks of circulation shows creative uses of traditional material by peoples in motion and radically transforms our understanding of ancient cosmogonies Page duBois author of *Out of Athens* The New Ancient Greeks **Revealing the New Age Jesus** Douglas R. Groothuis, 1990 *Holy Fable Volume IV* Robert M. Price, 2020-04-21 In this fourth volume of Robert M Price s celebrated *Holy Fable* series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented *Necronomicon* and the Andrew Lloyd Webber and Tim Rice rock opera *Jesus Christ Superstar* With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today *Parabolic Figures or Narrative Fictions?* Charles W. Hedrick, 2016-06-10 Hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church Rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed The parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution The narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of Jesus under the control of the church s later religious perspectives Each narrative represents a fragment of Jesus s secular vision of reality Finding himself outside the mainstream of parables scholarship both ecclesiastical and critical Hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of Jesus These

early essays form the central section of the book They are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response

Failure and Nerve in the Academic Study of Religion William E. Arnal, Willi Braun, Russell T. McCutcheon, 2014-09-11 Failure and Nerve in the Academic Study of Religion presents a provocative critique of the unwillingness of modern scholars to publically distinguish research into comparative religion from confessional studies written within denominationally affiliated institutions The book offers the 19th Century founders of the study of religion as a bracing corrective to contemporary timidity The issue was analysed and documented by Wiebe a quarter of a century ago Here marking Wiebe s work a wide range of contributors reassess the methodology and ambition of contemporary religious research The book argues that conceptualizing religion as part of the world of human action and experience is the first requirement of the study of religion

Il gemello di Gesù. Commento al vangelo di Tommaso James W. Heisig, 2008 Das Thomasevangelium Jörg Frey, Enno Edzard Popkes, Jens Schröter, 2008-12-18 Das Thomasevangelium eine Schrift aus Codex II der Nag Hammadi Schriften geht zu dem umstrittensten Zeugnissen des frühen Christentums Während einige Forscher darin eine Schrift sehen die sehr alte Überlieferungen von Jesus bewahrt hat und deshalb näher an Jesus heranführen könnte als die neutestamentlichen Evangelien wird es von anderen für einen Text gehalten der bereits theologiegeschichtliche Entwicklungen des ersten Jahrhunderts voraussetzt und auf sie in eigener Weise reagiert Die Beiträge des vorliegenden Sammelbandes sind vor dem Hintergrund dieser Diskussion entstanden Sie gehen zurück auf eine Tagung auf der Vertreter dieser Auslegungstraditionen ihre unterschiedlichen Interpretationsansätze und methodischen Zugangsweisen vorgestellt und miteinander ins Gespräch gebracht haben Die Zusammenstellung der Beiträge gewährt deshalb einerseits einen Einblick in das facettenreiche Spektrum der gegenwärtigen Forschungsdiskussion zur Entstehung und zum theologischen Profil dieses Werkes Andererseits zeigt sie neue Zugangsweisen auf durch welche die Einordnung des Thomasevangeliums in das Spektrum der frühchristlichen Literatur etwa im Blick auf sein Verhältnis zu anderen Nag Hammadi Schriften und zur Gnosis auf eine neue Grundlage gestellt wird

New Testament Abstracts ,1989 *El gemello de Jesús* James W. Heisig, 2011-01-01 El Evangelio de Tomás cuyo texto ha permanecido perdido durante dieciséis siglos ofrece una visión de las enseñanzas de Jesús distinta de cualquier otra Después de un repaso general a la historia del análisis erudito del texto dicho a dicho Heisig atrae al lector a la tesis central del libro ser discípulo de Jesús significa despertar al reino del no nacido en uno mismo y al hacerlo uno se convierte en su gemelo El lector contemporáneo identifica con facilidad los vínculos del texto con algunas de las enseñanzas fundamentales de la tradición budista Heisig sugiere que como texto sagrado El Evangelio de Tomás tiene la capacidad no sólo de alumbrar el camino hacia el budismo a los cristianos sino también de potenciar la recuperación de la tradición mística cristiana como puente entre caminos religiosos

Parapsychology Abstracts International ,1988 **Jesus, Paul and Matthew, Volume Two** Andries Van Aarde, 2020-04-16 This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus

with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist Matthew on the other. It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion. This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology grounded in the biological family. God's adoption of people as God's children is based on the potential of people to absorb the divine into their humanity. This truism is to be found in the visions shared by the peasant Jesus, the apostle Paul, and the rabbi Matthew, as well as in creedal Christianity. The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem (Luke 24) and that of the African eunuch (Acts 8) on his way back from Jerusalem to Africa. The notes serve to consolidate the two volumes on Jesus, Paul, and Matthew and their messages of God's wisdom, justice, and mercy.

The Church on Mission Craig Ott, 2019-05-21. In this scripturally rich exploration, senior missiologist Craig Ott unpacks the mission statement of the church to glorify God by multiplying transformational churches among all people. This concise yet robust biblical theological treatment focuses on God's glory, a strong ecclesiology, the importance of Scripture, and practical implications for congregational and mission practice. Ideal for launching discussion and reflection, the book helps readers refocus their vision and reignite their commitment to fulfilling God's purposes for their church or mission.

The Order and Division of Divine Truth: St. Thomas Aquinas as Scholastic Master of the Sacred Page John F. Boyle, 2022-01-12. St. Thomas Aquinas is best known for his *Summa Theologiae* and is regarded as the great exemplar of systematic theology. Yet St. Thomas himself might be surprised at this legacy. He may well have seen himself principally as a commentator and teacher of Sacred Scripture. When it comes to engaging St. Thomas' scriptural work, readers are at a significant disadvantage. They are arguably more foreign and more dense than his *Summa*, yet have been scarcely studied. This book, by one of the foremost experts on St. Thomas' use of Scripture, is a significant and much-needed contribution. In *The Order and Division of Divine Truth*, St. Thomas Aquinas as Scholastic Master of the Sacred Page, John Boyle opens up the riches of St. Thomas as a master of the Sacred page. Readers will find explorations not just of the style of Aquinas' commentaries, which differs from that of the modern biblical commentary, but also the overarching theological and methodological perspective that shapes his approach to Scripture. Boyle gives insight into how Aquinas would have understood the task of biblical commentary as a university lecturer, how Scripture is ordered to divine revelation, how medieval masters divided up the text, and how Aquinas' biblical commentaries relate to his theological summaries. This book will be important for anyone seeking to better understand St. Thomas' theology and the often overlooked role that Scripture plays in his work.
