**The Future of Humanity** Murray Robertson, 2015-06-14 The thought of preaching or teaching on the book of Revelation can be extremely daunting Compared to the straightforward narrative of the Gospels or the New Testament letters Revelation seems confusing to understand and difficult or even impossible to apply to a particular situation As a result of these challenges many preachers are reluctant to engage with Revelation and overlook some of the powerful messages of hope found within especially for those facing trials and persecution for their faith In this book Murray Robertson breaks down Revelation 4 to 22 so that the concept context tone and contemporary message can be fully realised by those reading and preaching this apocalyptic text Containing questions for discussion at the end of every chapter and a few sample sermon outlines this is a very practical handbook for anyone committed to authentic biblical preaching

**"Other" Horsemen of the Apocalypse** , 2024-06-07 Behold the four horsemen of the apocalypse and the other guy The cataclysm is said to be heralded by a barrage of hoofbeats each fearsome rider wielding a mighty weapon The horsemen are so ubiquitous that they have been depicted in art film television video games comic books literature and music The conqueror astride a white horse carries a bow with the string pulled taut The warlord riding a roan as red as blood wears a sword upon his hip On the black horse sits a rider with hollowed cheeks caused by famine a pair of scales balanced upon his palm Finally on a pale horse rides death himself hefting his archetypal scythe But who didn t make the cut Surely there were other horsemen that auditioned but missed the mark Perhaps their horse was just a pony or they carried the common cold instead of pestilence Maybe their audition ended in tears because the other horsemen were too mean The Other Horsemen is a
