Schooldays at St Clare's are never dull for twins Pat and Isabel O'Sullivan in Enid Blyton's much-loved boarding school series. Claudine at St Clare's: Eileen's mother is the new Matron and Mam Zelle's niece. Claudine joins St Clare's and causes havoc wherever she goes. The twins are enchanted by rebellious Claudine and her mad cap plans but will she last the term? *Fifth Formers of St Clare's*: The girls are in the fifth form about to reach the sixth but they are not too old for tricks and escapades, jokes and excitement. Especially amusing is French girl Antoinette who like her sister Claudine doesn't always understand the ways of St Clare's. *The Sixth Form at St Clare's*: The unimaginable has happened: the twins made head girl. It's a tough job, cheeky first formers and cruel Priscilla keep the girls on their toes. There'll be mischief at St Clare's. Between 1941 and 1946 Enid Blyton wrote six novels set at St Clare's. Books 5, 6, and 9 are authorised sequels of the series written by Pamela Cox and feature storylines set in between the original Blyton novels. These books were published in 2000, 2008, and are unillustrated. **Juvenile Literature**

**and British Society, 1850-1950** Charles Ferrall, Anna Jackson, 2012-05-10 In this study Charles Ferrall and Anna Jackson argue that the Victorians created a concept of adolescence that lasted into the twentieth century and yet is strikingly at odds with post Second World War notions of adolescence as a period of storm and stress In the enormously popular juvenile literature of the period primarily boys and girls own adventure and school stories adolescence is acknowledged as a time of sexual awareness and yet also of a romantic idealism that is lost with marriage a time when boys and girls acquire adult duties and responsibilities and yet have not had to assume the roles of breadwinner or household manager The book reveals a concept of adolescence as significant as the Romantic cult of childhood that preceded it which will be of interest to scholars of both children s literature and Victorian culture

**Reading Enid Blyton** Philip Gillett, 2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books while other authors have

continued to write stories based on her characters There are also Famous Five parodies which rely on readers familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children Reading Enid Blyton places the author s work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared *Goodly is Our Heritage* Rashna B. Singh, 2004 Patterns of sublimation begin in childhood So does binary and hierarchical thinking The child must be trained to see in oppositions and on a scale of order So the story of nation and people race and culture begins as the bedtime story The author How else asks Rashna Singh do we explain the uncanny physical resemblance between Osama bin Laden and the evil Jaffar of Disney s motion picture Aladdin Singh provides a most persuasive argument for why these sentiments are both insidious and compelling and how they resonate to this day While she includes such classic examples as *The Secret Garden* *Robinson Crusoe* and the *Babar* series it is her inclusion of genuinely neglected fictions that lends her analyses a special richness In an engaging narrative style Singh demonstrates how constructions of character evolve into cultural imprints which encourage their young readers to choose the goodly side with little thought of badly repercussions
