**The reach**, 1912      **The Cardinals and the Yankees, 1926** Paul E. Doutrich, 2014-01-10 The two pennant winners in 1926 the National League's Cardinals and the American League's Yankees were a study in contrasts The Yankees were heavily composed of first and second generation Americans and based in New York the epicenter of baseball the Cardinals on the other hand were mostly a collection of farm boys playing at the western fringe of the major leagues But both teams arrived battle tested as St Louis had fought a long close race with Cincinnati and New York had survived a dramatic late season run by Cleveland Their classic World Series meeting went seven games and produced one of the legendary pitcher batter confrontations of baseball history      **The Forgotten Marlins** Sam Zygmier, 2013-06-06 The Forgotten Marlins pays tribute to the original Miami Marlins of the AAA International League bringing to life one of the most colorful and flamboyant teams to play in baseball's minor leagues During their five years of existence the Marlins featured prominent personalities such as eccentric manager Pepper Martin many Mickey McDermott and maverick promoter Bill Veeck Including rarely heard stories about baseball icon and Hall of Famer Satchel Paige's years in Miami and containing interviews between the author and several of the surviving ballplayers this book is a unique and comprehensive account of a truly original baseball team The Forgotten Marlins is an entertaining and engaging read for all baseball fans and historians      *Early Black Baseball in Minnesota* Todd Peterson, 2014-01-10 Though they played in the years before Rube Foster formed the first Negro League the St Paul Gophers and their bitter crosstown rivals the Minneapolis Keystones had the talent bench depth and determination to rival many of those later better known teams The Gophers in fact beat Chicago's celebrated Leland Giants in 1909 laying claim to blackball's western championship Focusing on these two clubs author Peterson lays out the early history of African American baseball in the Upper Midwest Included are new statistics and more than 50 rarely seen photographs      Hidden History of Cleveland Sports Marc Bona, 2021-06-28 Cleveland sports history goes well beyond The Shot The Fumble The Drive and so many other ignoble moments Many of the city's most illustrious sports tales are long forgotten chapters of tribulations and tragedy of fleeting fame and enduring milestones There are forgotten firsts such as football's first pass and the invention of baseball's slider having ties to Cleveland There are overshadowed tragedies like a fatal crash involving an Indians pitcher occurring the same year two of the team's hurlers were killed in a high profile boating accident And then there are the near misses like George Steinbrenner coming within seconds of owning the Indians and a famous musician who almost became a Cleveland Brown From basketball to boxing hockey to Heisman journalist Marc Bona chronicles more than a century of unremembered tales      **Wisdom of the Diamond** Don Levin, 2010-01-12 As timeless as the rules established by Abner Doubleday to govern the play of America's national past time baseball the five bases of effective team leadership are presented in a light hearted story with Little League baseball as the backdrop against which these lessons are illustrated and learned Trey Langston a regional sales manager for a large national sales organization is struggling to lead his team of

sales representatives Rising costs and competition as well as other challenges have forced him to examine just what kind of manager and leader he has become A devoted father and little league coach Trey soon discovers that the answers to all of the challenges that have eluded him at the office can be discovered between the chalk lines of the little league baseball diamond as he leads his team and he himself receives gently mentoring from a devoted fan of the game

**"The Greatest Game Ever Played in Dixie"** John A. Simpson,2015-03-10 In 1908 baseball was the only game that mattered in the South With no major league team in the region rivalries between Southern Association cities such as Atlanta Birmingham Memphis and New Orleans were heated This season however no city was as baseball crazed as Nashville whose Vols had been league doormat in 1907 After an unpromising start the Nashville club clawed its way into contention during the month of July rising into the upper division then into a battle for first Local interest intensified as the competitive fire of Nashville fans was stoked by sharp tongued columnist Grantland Rice and the city's three daily newspapers By the time the Vols met the New Orleans Pelicans for a season ending series and the championship the city was gripped by a pennant fever that shut down the commercial district Nearly 13 000 people thronged the Nashville ballpark Sulphur Dell for the third and deciding contest What they saw was described by Rice as the greatest game ever played in Dixie

'30 Ray Zardetto,2010-03-22 The 1930 baseball season was unlike any other Big league rosters included more Hall of Famers than at any time before or since The year of the batter saw an extraordinary number of records set for runs hits home runs and RBIs Nine of the 16 teams hit over 300 and so did 60 percent of the regular players Seven pairs of teammates hit 350 or better and 20 batters had over 200 hits Hack Wilson had a record 191 RBIs and five others topped 150 both leagues batting races came down to the last game of the season The pennant races provided great drama as well In the National League the Cardinals overcame a fourth place 12 game deficit in the final weeks of the season to win a four team down to the wire race In the American League underdog Washington battled injuries misfortune and tragedy to challenge the heavily favored Athletics For the first time this remarkable season is covered in full from spring training to the final out of the World Series
