Copyright Office, 1971 **Easy Church Holiday Plays: 3 Christmas Plays and 1 Easter Play Written for Small and Medium Sized Churches** Joshua Powell, 2018-09-26 Three Christmas Plays and One Easter Play perfect for the small to medium sized congregation Each only requires about fifteen performers with options to plug in more The plays incorporate humor drama and the Christmas programs are set to include music if desired Bethlehem s Inn tells of a young inn keeper in ancient Bethlehem who is eager to make a fortune and move His plans to expand his inn and move are rocked when he denies a room to two very special guests We Got Dat is a modern story of a storekeeper who forces his employees to work on Christmas Eve When he discovers an employee has been facing hardships at home he reconsiders the meaning of Christmas The Best Christmas Play Ever focuses on a pastor trying to put on the best Christmas play his church has ever had but can t come up with any good ideas Finally Jerusalem News Channel is a humorous telling of what the events around the death and resurrection of Jesus would have been like if the modern news media had been there to cover it *America in the Fifties* Andrew J. Dunar, 2006-11-07 The 1950s evoke images of prosperity suburbia a smiling President Eisenhower cars with elaborate tail fins Elvis Presley Marilyn Monroe and the golden age of television seemingly a simpler time in which the idealized family life of situation comedies had at least some basis in reality A closer examination however recalls more threatening images the hysteria of McCarthyism the shadow of the atomic bomb war in Korea the Soviet threat manifested in the launch of Sputnik and the bombast of Nikita Khrushchev and clashes over the integration of public buses in Montgomery Alabama and a high school in Little Rock Arkansas Andrew J Dunar successfully shows how the issues confronting America in the late twentieth century have roots in the fifties some apparent at the time others only in retrospect civil rights environmentalism the counterculture and movements on behalf of women Chicanos and Native Americans The rise of the Beats the continuing development of jazz the emergence of rock n roll and the art of Jackson Pollock reveal the decade to be less conformist than commonly portrayed While the cold war rivalry with the Soviet Union generated the most concern Dunar skillfully illustrates how the rise of Nasser in Egypt Castro in Cuba and Communist regimes in North Korea Vietnam and China signaled new regional challenges to American power **The Play Goer and Theatrical Recorder** , 1857 **Satyrical Play** Carl A. Shaw, 2014 Since it was written by tragedians and employed a number of formal tragic elements satyr drama is typically categorized as a sub genre of Greek tragedy This categorization however gives an incomplete picture of the complicated relationship of the satyr play to other genres of drama in ancient Greece For example

the humorous chorus of half man half horse satyrs suggests sustained interaction between poets of comedy and satyr play In Satyric Play Carl Shaw notes the complex shifting relationship between comedy and satyr drama from sixth century BCE proto drama to classical productions staged at the Athenian City Dionysia and bookish Alexandrian plays of the third century BCE and argues that comedy and satyr plays influenced each other in nearly all stages of their development This is the first book to offer a complete integrated analysis of Greek comedy and satyr drama analyzing the details of the many literary aesthetic historical religious and geographical connections to satyr drama Ancient critics and poets allude to comic satyric associations in surprising ways vases indicate a common connection to komos revelry song and the plays themselves often share titles plots modes of humor and even on occasion choruses of satyrs Shaw s insight into this evidence reveals the relationship between satyr drama and Greek comedy to be much more intimately connected than we had known and in fact much closer than that between satyr drama and tragedy Satyric Play brings new light to satyr drama as a complex artful inventive and even cleverly paradoxical genre

The Shoemaker's Holiday Thomas Dekker,1999-09-11 Thomas Dekker s The Shoemaker s Holiday is one of the most popular of Elizabethan plays entertaining racy and vivid in its characterization Revealing a vital portrait of Elizabethan London and the interaction of social classes within the city its social commentary is on the whole optimistic though darker tones are discernible The play has had a lively history of performance on both the professional and amateur stage

consumption of this important performance genre and the changes in the concepts of authorship copyright and performance rights that took place during the process The state s desire to police what was performed is shown to have been a major factor in these changes The scope and coverage of the book is already unprecedented but it is also supplemented by an additional chapter on where the plays were performed who performed them and who went to see them available for download online
