Bamboozled Joe Biel,2013-05-06 In this introspective exploration of former boxer Joey Torrey s life his past his murder conviction and his more than 30 year incarceration in a California state prison are each fine tooth combed Nearly five years after his original memoir this new edition is re written as a biography and delves deeper into circumstances surrounding

Torrey's alleged murder of his boxing coach, the lengthy prison sentence handed down, his undercover collaboration with the FBI on Operation Matchbook in support of John McCain's proposed Professional Boxing Amendments Act, and the inner workings of the prison system in general. From his days as a Compton gang leader and an Olympic boxing hopeful to being tried as an adult rather than a 17-year-old minor, this compelling narrative reflects on his life as a parable as well as examining the strategies used in his conviction, such as establishing the motive as robbery despite a lack of evidence linking the opening of safe to the murderer. And after more than three decades as a model prisoner and saving the life of a prison guard, Torrey has prolifically written hundreds of letters to Joe Biel, who finds himself in the unlikely situation of being able to share this unique story.

Battle Fatigue Mark Kurlansky, 2011-11-07 Growing up in the years following World War II, Joel Bloom always played soldiers with his friends. But by the time he's eighteen, the Vietnam War is in full swing, and it's not as simple as the war games he played when he was a child. Old enough to be drafted, Joel loves his country, but he knows that fighting in an unjust war isn't something he can do. After trying and failing to be a conscientious objector, he leaves for Canada, a decision that will help him avoid the physical conflict of the war but will create another inside of him that will take much longer to resolve. An insightful and compelling novel that explores one boy's struggle to understand himself and the harsh realities of life during wartime.

But Avalon Dreams is only the beginning. To find out what the past is all about, you'll have to delve into Avalon. Love, magic, betrayal, and sacrifice run this series into a spiral of emotions. Get lost in a modern-day Arthurian retelling packed with a slow burn romance, a tortured knight, a bad guy with Merlin issues, and a talking dog-demon lord. Ancient deity. Welcome to the new Camelot.
