Pushout Monique Couvson, 2018-01-16 The powerful Michelle Alexander exploration of the harsh and harmful experiences confronting Black girls in schools and how we can instead orient schools toward their flourishing On the day fifteen year old Diamond from the Bay Area stopped going to school she was expelled for lashing out at peers who constantly harassed and teased her for something everyone on the staff had missed she was being trafficked for sex After months on the run she was arrested and sent to a detention center for violating a court order to attend school In a work that Lisa Delpit calls imperative reading Monique W Morris chronicles the experiences of Black girls across the country whose complex lives are misunderstood highly judged by teachers administrators and the justice system and degraded by the very

institutions charged with helping them flourish Painting a chilling picture of the plight of black girls and women today The Atlantic Morris exposes a world of confined potential and supports the rising movement to challenge the policies practices and cultural illiteracy that push countless students out of school and into unhealthy unstable and often unsafe futures At a moment when Black girls are the fastest growing population in the juvenile justice system Pushout is truly a book for everyone who cares about children Washington Post Book cover photograph by Brittsense brittsense com [Pushout](#)

Monique Morris,2016-03-29 Black girls represent 16 percent of female students but almost half of all girls with a school related arrest The first trade book to tell these untold stories Pushout explores a world of confined potential and supports the growing movement to address the policies practices and cultural illiteracy that push countless students out of school and into unhealthy unstable and often unsafe futures
