soon a consensus grew that football needed no new major changes American football was on its way but as time passed Camp's name and defining influence became lost to history Entertaining and exhaustively researched Walter Camp and the Creation of American Football weaves the life story of an important sports pioneer with a long overdue history of the dramatic events that produced the nation's most popular game

First of the Year: 2008 Benj DeMott, 2017-07-05 This is the first in a continuing series of reminders that the past informs the present as it infuses the future As Benj DeMott notes the aim of First of the Year is to define the democratic imperatives and democratic tones that make our ongoing politics of culture matter This annual publication is grounded in the needs of dissed people disenfranchised disadvantaged disinherited discomfited and dismissed But the concept has been sharpened to acknowledge that though the underdog is owed sympathy the mad dog is owed a bullet In short First of the Year is very much an effort of the twenty first century The publication aims to be more than a launching pad for writers It attempts to bridge the gap between radical perspectives without losing focus on the centrality of African American culture to the national conversation The coming together of figures like Armond White Kate Millett Lorenzo Thomas Russell Jacoby Adolph Reed and Amiri Baraka is quite unlike what can be found in standard literary and social publications They treat the African American condition as a policy issue or an executive summary report not as a touchstone for the state of the nation as a whole The initial volume also deals extensively and seriously with the issue of humanism and terror the nature of social movements electoral and urban politics and the musical trends of our time It does so with a sense of urgency often denied in mainstream literary reviews Issues of standards are addressed from the angle of African American cultural traditions and the mind body problem as a matter of race not just of metaphysics In a nutshell this volume intends to open a new chapter in the Harlem Renaissance or better an American renaissance with a Harlem lilt First of the Year is an attempt to make political
