Going Mad In Hollywood And Life With Lindsay Anderson:

Going Mad in Hollywood David Sherwin, 1997-04-24 Originally published in 1996 and now available in paperback a biographical account of Lindsay Anderson and life in the British and American film industries *Lindsay Anderson* John Izod, Karl Magee, Kathryn Hannan, Isabelle Gourdin-Sangouard, 2019-01-04 In a long and varied career Lindsay Anderson made training films documentaries searing family dramas and blistering satires including *This Sporting Life* *O Lucky Man* and *Britannia Hospital* Students of British cinema and television from the 1950s to 1990s will find this book a valuable source of information about a director whose work came to public attention with *Free Cinema* but who unlike many of his peers in that movement did not take the Hollywood route to success What emerges is a strong feeling for the character of the man as well as for a remarkable career in British cinema The book will appeal to admirers researchers and students alike Making use of hitherto unseen original materials from Anderson's extensive personal and professional records it is most valuable as a study of how the films came about the production problems involved the collaborative input of others as well as the completed films promotion and reception It also offers a finely argued take on the whole issue of film authorship and achieves the rare feat of being academically authoritative whilst also being completely accessible It prompts renewed respect for the man and the artist and a desire to watch the films all over again *Lindsay Anderson Revisited* Erik

Hedling, Christophe Dupin, 2016-06-14 This book is about the British film maker Lindsay Anderson Anderson was a highly influential personality within British cinema mostly famous for landmark films like *This Sporting Life* 1963 and *If* 1968 *Lindsay Anderson Revisited* deals primarily with hitherto unexplored aspects of his career his biographical background in the British upper class his devoted film criticism and his angry relationship to contemporary society in general Thus the book contains chapters about his childhood in India his writings about John Ford his relationship to French star Serge Reggiani his work on TV in the 1950s his troubles with the British film establishment and his gradually emerging preoccupation with being Scottish not English Also featured are chapters written by close friends of Anderson who died in 1994 dwelling on his penchant for controversy and quarrel but also on his remarkable artistic talent and commitment **Going Mad in**

Hollywood David Sherwin, 1996 Screenwriter David Sherwin reveals what it is really like to work in Hollywood and discusses his friendship with director Lindsay Anderson whom he collaborated with on the films *If* *O Lucky Man* and *Britannia Hospital* Contains the original screenplay of *If* **If....** Mark Sinker, 2019-07-25 Lindsay Anderson's film *If* 1968 starring Malcolm McDowell as a schoolboy who leads a guerilla insurgence imagines how repression conformity and fusty ritual at an English public school could lead to anarchy and bloody revolt Its title is a sardonic nod to Rudyard Kipling's most famous poem and its story a radical updating of Kipling's 1899 story *Stalky and Co* in which prankish rebels are groomed to police the empire Released at a time of unprecedented student uprisings in Europe and America it provided a peculiarly English perspective on the battle between generations the perennial war of the romantically passionate against the corrupt the ugly the old and the

foolish Though its emotional surface is authentically anti authoritarian its intellectual substance as Mark Sinker argues is rooted in a deep familiarity with the symbols of English ruling class values No longer a vehicle for shock or dissent if is today enjoyed comfortably even nostalgically but for Sinker this renders its many knots and paradoxes the moments of poetry that Anderson argued were cinema s raison d etre all the more fascinating *Lindsay Anderson* Erik Hedling,1998-04-22 Erik Hedling explores Anderson s entire output to examine how he contributed to a broadening of film narrative in Britain towards more radical forms prefiguring thus the internationally acclaimed British art cinema of the 1980s *The Grove Book of Hollywood* Christopher Silvester,2007-12-01 A treasure trove of insider accounts of the movie business from its earliest beginnings to the present day exceedingly savvy astute and entertaining Variety The Grove Book of Hollywood is a richly entertaining anthology of anecdotes and reminiscences from the people who helped make the City of Angels the storied place we know today Movie moguls embittered screenwriters bemused outsiders such as P G Wodehouse and Evelyn Waugh and others all have their say Organized chronologically the pieces form a history of Hollywood as only generations of insiders could tell it We encounter the first people to move to Hollywood when it was a dusty village on the outskirts of Los Angeles as well as the key players during the heyday of the studio system in the 1930s We hear from victims of the blacklist and from contemporary players in an industry dominated by agents Coming from a wide variety of sources the personal recollections range from the affectionate to the scathing from the cynical to the grandiose Here is John Huston on his drunken fistfight with Errol Flynn Cecil B DeMille on the challenges of filming The Ten Commandments Frank Capra on working for the great comedic producer Mark Sennett William Goldman on the strange behavior of Hollywood executives in meetings and much more A masterly magnificent anthology The Grove Book of Hollywood is a must for anyone fascinated by Hollywood and the film industry Literary Review London *Lindsay Anderson Diaries* Lindsay Anderson,2013-11-12 The extraordinary and revealing diaries of the revolutionary British film and theatre director who became one of the major cultural figures of his time As a director critic writer and actor Lindsay Anderson established a reputation as one of the most innovative impassioned and fiercely independent British artists of the twentieth century In directing films such as If This Sporting Life and O Lucky Man he championed a new wave of social responsiveness in British cinema while as director at the Royal Court he was responsible for establishing the reputation of a number of groundbreaking plays Throughout his life Anderson stood in opposition to the establishment of his day Published for the first time his diaries provide a uniquely personal document of his artistic integrity and vision his work and his personal and public struggles Peopled by a myriad of artists and stars Malcolm McDowell Richard Harris Albert Finney Anthony Hopkins Brian Cox Karel Reisz Arthur Miller George Michael the Diaries provide a fascinating account of one of the most creative periods of British cultural life Gripping Daily Express Vicious and velvety in roughly equal measure Demands reading at a single sitting Daily Telegraph the reader of this book is richly rewarded Daily Mail **Sights Unseen** Dan North,2009-03-26 Many British films never make it to the screen

Obstacles of finance censorship distribution or creative breakdown can appear in their way and they might even fail to get beyond the script stage This book collects new essays by leading scholars that use archival resources to reconstruct the stories behind a range of films by prominent film makers These thwarted productions are all too often excluded from histories of British cinema but the accounts of their unmaking contained in *Sights Unseen* provides an illuminating insight into the factors which have served to undermine the stability of the film industry in Britain *Film - An International Bibliography* Malte Hagener, Michael Töteberg, 2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk der Filmgeschichte bis hin zu Fernsehen Video Multimedia

Sixties British Cinema Reconsidered Petrie Duncan Petrie, 2020-03-02 This collection of exciting new research on British cinema of the 1960s reconsiders and reframes the film culture that emerged from that tumultuous decade Challenging assumptions around Sixties stardom the book focuses on creative collaboration and the contribution of production personnel beyond the director and discusses how cultural change is reflected in both film style and cinematic themes With perspectives and insights from established scholars and new critical voices *Sixties British Cinema Reconsidered* draws on under explored archival resources to explore four key research areas stars and stardom creative collaborations in filmmaking developments in genre and film style and how the cinema of the period both responded and contributed to social and cultural transformation in the 1960s *The British School Film* Stephen Glynn, 2016-09-20 Through close textual and contextual analysis of British films spanning a century this book explores how pupils teachers and secondary education in general have been represented on the British screen The author addresses a number of topics including the nature of public fee paying and state schooling the values of special single sex and co education the role of male and female teachers and the nature of childhood and adolescence itself From the silents of Hitchcock to the sorcery of Harry Potter British cinema's continued explorations of school life highlights its importance in the nation's everyday experience and imaginary landscape Beyond this the school film varying in scope from low budget exploitation to Hollywood financed blockbusters serves both as a prism through which one can trace major shifts in the British film industry and as a barometer of the social and cultural concerns of the cinema going public This applies especially for gender race and in all senses class **Adaptation Studies**

and Learning Laurence Raw, Anthony Gurr, 2013-04-04 *Adaptation Studies* is a fast emerging discipline which has expanded into other areas of media scholarship With its roots in literature and film this discipline can be applied to much broader uses even as a process that governs every aspect of our lives Indeed by expanding the scope of adaptation to encompass a larger perspective this discipline can promote lifelong learning that emphasizes communication social interaction and aesthetic engagement In *Adaptation Studies and Learning New Frontiers* Laurence Raw and Tony Gurr seek to redefine the ways in which adaptation is taught and learned Comprised of essays reflections and learning conversations about the ways in which

this approach to adaptation might be implemented this book focuses on issues of curriculum construction the role of technology and the importance of collaboration Including a series of case studies and classroom experiences the authors explore the relationship between adaptation and related disciplines such as history media and translation The book also includes a series of case studies from the world of cinema showing how collaboration and social interaction lies at the heart of successful film adaptations By looking beyond the classroom Raw and Gurr demonstrate how adaptation studies involves real world issues of prime importance not only to film and theater professionals but to all learners Covering a wide range of material including film history educational theory and literary criticism *Adaptation Studies and Learning* offers a radical repositioning of the way we think about adaptation both inside and outside academia *The Penguin Book of Hollywood* Christopher Silvester,1999 Antologi om Hollywood sammensat af uddrag af erindringer biografier romaner noveller breve og artikler **International Dictionary of Films and Filmmakers** Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries arranged alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes **Obituaries in the Performing Arts, 2018** Harris M.
