Journeys Out of the Body Robert A. Monroe, 1992-12-01 The definitive work on the extraordinary phenomenon of out of body experiences by the founder of the internationally known Monroe Institute Robert Monroe a Virginia businessman began to have experiences that drastically altered his life Unpredictably and without his willing it Monroe found himself leaving his physical body to travel via a second body to locales far removed from the physical and spiritual realities of his life He was inhabiting a place unbound by time or death Praise for Journeys Out of the Body Monroe s account of his travels Journeys Out of the Body jam packed with parasitic goblins and dead humans astral sex scary trips into mind boggling other dimensions and practical tips on how to get out of your body all told with wry humor quickly became a cult sensation with its publication in 1971 and has been through many printings Whatever their real explanation Monroe s trips made for splendid reading

Michael Hutchinson author of Megabrain Robert Monroe's experiences are probably the most intriguing of any person's of our time with the possible exception of Carlos Castaneda's Joseph Chilton Pierce author of Magical Child This book is by a person who's clearly a sensible man and who's trying to tell it like it is No ego trips Just a solid citizen who's been out a thousand times now and wants to pass his experiences to others The Last Whole Earth Catalog
