Gold In Your Memories Sacred Moments Glimpses Of God:

Gold in Your Memories Macrina Wiederkehr, 1998 Macrina Wiederkehr shares a wealth of effective ways to awaken the golden memories each of us has Her use of creative rituals personal symbols and pilgrimages to hallowed places invites us to make similar journeys to our past *Finding Hope and Meaning in Suffering* Trystan Owain Hughes, 2012-04-10 Everyone suffers at some time or other it is simply a part of life But however bad things seem we are never completely helpless For the deeply affirming truth is that we can choose how to respond to adverse circumstances Trystan Owain Hughes suggests that learning how to suffer and how to wait patiently may be the secret of finding joy in our lives Diagnosed with a degenerative spinal condition he was surprised to discover that instead of increasing his unhappiness it spurred him on to seek out sources of hope and meaning The book opens by encouraging us to take a step back from our anxieties and worries and rest in the love of God We then explore five areas where that love may be found in the midst of pain in nature memory art laughter and other people By becoming conscious of the echoes of the transcendent in these areas we will gain new strength And paradoxically through facing our suffering learn to truly live The Living Church , 1998 The Arms of God Lynne Hinton, 2014-10-14 Alice is making her daughter dinner when her mother Olivia who left her at a day care center when she was four years old appears at her door Although Alice has managed to navigate an unforgiving foster care system to build a good life for herself she has never really recovered from her mother's disappearance Olivia's sudden reappearance is like a quiet unexplained gift Over the next couple of weeks Alice asks Olivia to dinner Olivia is always dropped off by a friend and sits peacefully as Alice and her daughter talk over the meal One afternoon Alice gets a call from the hospital telling her that Olivia is dead The only identification the hospital could find was Alice's number with the word daughter written underneath it She goes to pick up Olivia's things and finds the key to her apartment It is here that the mystery of Olivia's past is slowly uncovered and Alice begins to understand how the power of hatred can hold a woman down and how the power of friendship can lift her up again Not since her bestselling book *The Friendship Cake* has Hinton created characters who are so filled with heartache and fragile hope that they will become a permanent part of the reader's life **Return to the Root** Joyce Rupp, 2021-10-08 Winner of a third place award for contemporary spirituality from the Catholic Media Association One of the Spirituality Practice 50 best spiritual books of 2021 For more than a decade bestselling author and international retreat leader Joyce Rupp has written a monthly newsletter offering personal reflections and inspiration from her heart to ours In *Return to the Root* Rupp expands on the best of those reflections to invite all of us who feel overwhelmed by busyness cut off from the Divine or adrift in the world to reach solid ground Through her reflections as well as new poems and prayers she guides us to see the essential what is at the root of our lives and what keeps us rooted so that we can feel at peace no matter the events of the world around us Rupp offers meditative uplifting reflections grown out of the seasons the Church's liturgical life and the small moments that adorn our days that escort us through the year With each reflection we shift beyond

the immediate moment to see the timeless truths within including choosing to hold on to hope trusting how God speaks to us and how we experience the Divine and recognizing that there is always something for which to be grateful Whether we need to be reminded of important truths or to experience moments of tranquility in a life of nonstop distractions Rupp's *Return to the Root* offers us space to explore the beauty of the world and hold onto those things that sustain our beings and as the apostle Paul wrote keep us rooted and grounded in love
