**The Visual Focus of American Media Culture in the Twentieth Century** Wiley Lee Umphlett,2004 This is a sociocultural history of the visually oriented mass media forms that beguiled American society from the 1890s to the end of World War II The purpose of the work is to show how revolutionary technological advances during these years were instrumental in helping create a unique culture of media made origins By focusing on the communal appeal of both traditional and new modes of visual expression as welcome diversions from the harsh realities of life this book also attends to the American people s affinity for those special individuals whose talent vision and lifestyle introduced daring new ways to avoid the ordinariness of life by fantasizing it Also examined is the sociocultural impact of an ongoing democratization process that through its nurturing of a responsive media culture gradually eroded the polar postures of the elite and mass cultures so that by the mid 1940s signs of a coming postmodern alliance were in the air Illustrated Before his retirement Wiley Lee Umphlett served as an administrator professor at the University of West Florida for more than twenty five years

**Hall-Scott** Ric Dias,Francis Bradford,2007-01-25 Author Francis Bradford a former Hall Scott engineer provides valuable resources and insight not available to any other Hall Scott researcher Well illustrated with numerous photos drawings and memos this fascinating book will be of interest to history buffs in the areas of aviation rail marine trucks buses fire equipment and industrial engines and to World War and military historians **Ingenious** Jason Fagone,2013-11-05 An epic tale of invention in which ordinary people s lives are changed forever by their quest to engineer a radically new kind of car In 2007 the X Prize Foundation announced that it would give 10 million to anyone who could build a safe mass producible car that could travel 100 miles on the energy equivalent of a gallon of gas The challenge attracted more than one hundred teams from all over the world including dozens of amateurs Many designed their cars entirely from scratch rejecting decades of thinking about what a car should look like Jason Fagone follows four of those teams from the build stage to the final race and beyond into a world in which destiny hangs on a low drag coefficient and a lug nut can be a beautiful talisman The result is a gripping story of crazy collaboration absurd risks colossal hopes and poignant losses In an old pole barn in central Illinois childhood sweethearts hack together an electric powered dreamboat using scavenged parts forging their own steel and burning through their life savings In Virginia an impassioned entrepreneur and his hand picked squad of speed freaks pool their imaginations and build a car so light that you can push it across the floor with your thumb In West Philly a group of disaffected high school students come into their own as they create a hybrid car with the engine of a Harley motorcycle And in Southern California the early favorite a start up backed by millions in venture capital designs a car that looks like an alien egg Ingenious is a joyride Fagone takes us into the garages and the minds of the inventors capturing the fractious yet beautiful process of engineering a bespoke machine Suspenseful and bighearted this is the story of ordinary people risking failure economic ruin and ridicule to create something vital that Detroit had never pulled off As the Illinois team wrote in

chalk on the wall of their barn SOMEBODY HAS TO DO SOMETHING THAT SOMEBODY IS US      **Blood and Smoke**  
Charles Leerhsen, 2012-05-22 One hundred years ago 40 cars lined up for the first Indianapolis 500 We are still waiting to find out who won The Indy 500 was created to showcase the controversial new sport of automobile racing which was sweeping the country Daring young men were driving automobiles at the astonishing speed of 75 miles per hour testing themselves and their vehicles With no seat belts hard helmets or roll bars the dangers were enormous When the Indianapolis Motor Speedway opened in 1909 seven people were killed some of them spectators Oil slicked surfaces clouds of smoke exploding tires and flying grit all made driving extremely hazardous especially with the open cockpit windshield less vehicles Bookmakers offered bets not only on who might win but who might survive But this book is about more than a race it is the story of America at the dawn of the automobile age a country in love with speed danger and spectacle From publisher description
