The Golden Age of the Canadian Cowboy Hugh A. Dempsey, 1995 A lavishly illustrated tribute to the heritage of the Canadian cowboy and his adventures on the Western frontier The Golden Age of the Canadian Cowboy celebrates the irresistible spirit of the Old West and its inhabitants Hugh Dempsey relates the history of prairie ranch life and provides colorful accounts of roundups stampedes blizzards clashes with wolves and grizzly bears and the losing battle against barbed wire which ultimately put an end to the free range Outstanding cowboys women ranchers gunfighters and outlaws horse thieves and cattle rustlers are all part of the huge cast of characters whose stories make up this collection Filled with history stories archival photographs and personal accounts The Golden Age of the Canadian Cowboy is a classic in Canadian cowboy The Bar U & Canadian Ranching History S. M. Evans, 2004 For much of its 130 year history the Bar U literature Ranch can claim to have been one of the most famous ranches in Canada Its reputation is firmly based on the historical role that the ranch has played its size and longevity and its association with some of the remarkable people who have helped develop the cattle business and build the Canadian West The long history of the ranch allows the evolution of the cattle business to be traced and can be seen in three distinct historical periods based on the eras of the individuals who owned and managed the ranch These colourful figures beginning with Fred Stimson then George Lane and finally Pat Burns have left an indelible mark on the Bar U as well as Canadian ranching history The Bar U and Canadian Ranching History is a fascinating story that integrates the history of ranching in Alberta with larger issues of ranch historiography in the American and Canadian West and contributes greatly to the overall understanding of ranching history The Borderlands of the American and Canadian Wests Sterling Evans, 2006-01-01 The Borderlands of the American and Canadian Wests is the first collection of interdisciplinary essays bringing together scholars from both sides of the forty ninth parallel to examine life in a transboundary region The result is a text that reveals the diversity difficulties and fortunes of this increasingly powerful but little understood part of the North American West Contributions by historians geographers anthropologists and scholars of criminal justice and environmental studies provide a comprehensive picture of the history of the borderlands region of the western United States and Canada The Borderlands of the American and Canadian Wests is divided into six parts Defining the Region Colonizing the Frontier Farming and Other Labor Interactions the Borderlands as a Refuge in the Nineteenth Century the Borderlands as a Refuge in the Twentieth Century and Natural Resources and Conservation along the Border Topics include the borderlands environment its aboriginal and gender history frontier interactions and comparisons agricultural and labor relations tourism the region as a refuge for Mormons far right groups and Vietnam War resisters and conservation and natural resources These areas show how the history and geography of the borderlands region has been transboundary multidimensional and unique within North America British Canada at 150 years: 1867-2017 Mike Fletcher, 2017-01-11 British Canada at 150 Years 1867 2017 explores the formation of Canada and its British Heritage It

includes over 25 Frontier Era black and white photographs and lists many important places by Province and Territory that would appeal to readers or visitors who are interested in Canada's heritage After Mike lived in the Prairie Provinces where he collected photographs from the archives of Indian Inuit and the early pioneers ways of life he wanted to explore the strong British connection to the heritage of Canada The book explains that there are 6 key stages of commitment and enterprise that have been noted throughout the Frontier Era which resulted in the making of Canada into a nation These include visionaries investors frontiersmen and women First Nations guides pioneers and business innovators While the focus is on significant and interesting stories about Canada there is also a strong recognition in most of the chapters of the role that people born in Britain and Ireland had in the growth of the second largest country in the world which was accomplished in cold and harsh frontier conditions which are not experienced by many other places One West, Two Myths II Robert Thacker, C. L. Higham, 2006 Presents scholarly views on the comparison of the Canadian and American Wests and the various methodologies involved Ranching under the Arch D. Larraine Andrews, 2019-05-21 A visually rich historically epic tale of cattle ranching in southern Alberta focusing on multi generational family owned ranches that are still in existence today In the 1880s a group of fledgling cattle ranchers descended on the plains of southern Alberta They were drawn by the promise of the West where the grass seemed endless and they could ranch under the arch of the Chinook the warm Pacific wind that swooped down the eastern slopes of the Rockies to melt the snow and clear the land for year round grazing They came with wild optimism but their ambition was soon tempered by the brutal reality of a frontier land Ranching under the Arch is a tale of survival perseverance and prosperity in the face of struggle loss and loneliness Following over a dozen ranches still in operation that have roots dating to the late nineteenth century historian D Larraine Andrews recounts the culture that developed around this unique vocation These ranches have endured as vibrant enterprises sometimes into the fifth generation of the same family sometimes with new faces and dreams to change the focus of the narrative Drawing from historical archives diaries and personal accounts and illustrated by informative maps fascinating archival imagery and stunning contemporary photography Ranching under the Arch is an epic portrait of the Cattle Kingdom and its place in Alberta history Reel Time Robert Morris Seiler, Tamara Palmer Seiler, 2013 In this authoritative work Seiler and Seiler argue that theestablishment and development of moviegoing and movie exhibition in Prairie Canada is best understood in the context of changinglate nineteenth century and early twentieth century social economic and technological developments From the first entrepreneurs who attempted to lure customers into movie exhibition halls to the digital revolution and its impact on moviegoing Reel Time highlights the pivotal role of amusement venues in shaping the leisure activities of working and middle class people across North America As marketing efforts the lavish interiors of the movie palace and the romantic view of the local movie theatre concealed a competitive environment in which producers exhibitors and distributors tried tomonopolize the industry and drive their rivals out of business Thepitched battles and power struggles between national

movie theatrechains took place at the same time that movie exhibitors launchedcampaigns to reassure moviegoers that theatres were no longer theunclean and immoral places of amusement of yesteryear Under the leadership of impresarios the movie theatre rose up from these attacks to become an important social and cultural centre one deemed suitable for women and children An innovative examination of moviegoing as a social practice andmovie exhibition as a commercial enterprise Reel Time depictshow the industry shaped the development of the Canadian Prairie Westand propelled the region into the High River and the Times Paul Voisey, 2004-01-30 Founded in 1905 the High River Times served a community of small town advertisers and an extensive hinterland of ranchers and farmers in southern Alberta Under the ownership of the Charles Clark family for over 60 years the Times established itself as the epitome of the rural weekly press in Alberta Even Joe Clark the future prime minister worked for the family business While historians rely heavily on local newspapers to write about rural and small town life Paul Voisey has studied the influence of the Times on shaping the community of High River Foreword by Rt Hon Joe Clark PC CC Frontier Cattle Ranching in the Land and Times of Charlie Russell Warren M. Elofson, 2004-04-28 In Frontier Cattle Ranching in the Land and Times of Charlie Russell Warren Elofson debunks the myth of the American wild west and the Canadian mild west by demonstrating that cattlemen on both sides of the forty ninth parallel shared a common experience Focusing on Montana Southern Alberta Southern Saskatchewan and the well known figure of Charlie Russell an artist and storyteller from that era who spent time on both sides of the border Elofson examines the lives of cowboys and ranch owners looking closely at the prevalence of drunkenness prostitution gunplay rustling and vigilante justice in both Canada and the United States Canadian Books in Print.
