Laurence Raw

Golden Bowl:

The Golden Bowl Henry James, 1975 He handled it with tenderness with ceremony making a place for it on a small satin mat My Golden Bowl he observed and it sounded on his lips as if it said everything He left the important object for as important it did somehow present itself to produce its certain effect Simple but singularly elegant it stood on a circular foot a short pedestal with a slightly spreading base and though not of signal depth justified its title by the charm of its shape as well as by the tone of its surface It might have been a large goblet diminished to the enhancement of its happy curve by half its original height

The Golden Bowl Henry James, 2021-04-10 Father s form She hadn t seen it It strikes me he hasn t got any He hasn t got mine he hasn t even got yours Thank you for even the girl had laughed at him Oh yours my dear is tremendous But your father has his own I ve made that out So don t doubt it It s where it has brought him out that s the point It s his goodness that has brought him out our young woman had at this objected Ah darling goodness I think never brought anyone out Goodness when it s real precisely rather keeps people in He had been interested in his discrimination which amused him No it s his WAY It belongs to him But she had wondered still It s the American way That s all Exactly it s all It s all I say It fits him so it must be good for something Do you think it would be good for you Maggie Verver had smilingly asked To which his reply had been just of the happiest I don t feel my dear if you really want to know that anything much can now either hurt me or help me Such as I am but you ll see for yourself Say however I am a galantuomo which I devoutly hope I m like a chicken at best chopped up and smothered in sauce cooked down as a creme de volaille with half the parts left out Your father s the natural fowl running about the bassecour His feathers movements his sounds those are the parts that with me are left out All as a matter of course since you can t eat a chicken alive The Prince had not been annoyed at this but he had been positive Well I m eating your father alive which is the only way to taste him I want to continue and as it s when he talks American that he is most alive so I must also cultivate it to get my pleasure He couldn t make one like him so much in any other language It mattered little that the girl had continued to demur it was the mere play of her joy I think he could make you like him in Chinese It would be an unnecessary trouble What I mean is that he s a kind of result of his inevitable tone My liking is accordingly FOR the tone which has made him possible Oh you ll hear enough of it she laughed before you ve done with us Only this in truth had made him frown a little

The Golden Bowl Henry James, 2021-04-10 Father s form She hadn t seen it It strikes me he hasn t got any He hasn t got mine he hasn t even got yours Thank you for even the girl had laughed at him Oh yours my dear is tremendous But your father has his own I ve made that out So don t doubt it It s where it has brought him out that s the point It s his goodness that has brought him out our young woman had at this objected Ah darling goodness I think never brought anyone out Goodness when it s real precisely rather keeps people in He had been interested in his discrimination which amused him No it s his WAY It belongs to him But she had wondered still It s the American way That s all Exactly it s all It s all I say It fits him so it must be good for something Do you think it would be good for you

Maggie Verver had smilingly asked To which his reply had been just of the happiest I don t feel my dear if you really want to know that anything much can now either hurt me or help me Such as I am but you ll see for yourself Say however I am a galantuomo which I devoutly hope I m like a chicken at best chopped up and smothered in sauce cooked down as a creme de volaille with half the parts left out Your father s the natural fowl running about the bassecour His feathers movements his sounds those are the parts that with me are left out All as a matter of course since you can t eat a chicken alive The Prince had not been annoyed at this but he had been positive Well I m eating your father alive which is the only way to taste him I want to continue and as it s when he talks American that he is most alive so I must also cultivate it to get my pleasure He couldn t make one like him so much in any other language It mattered little that the girl had continued to demur it was the mere play of her joy I think he could make you like him in Chinese It would be an unnecessary trouble What I mean is that he s a kind of result of his inevitable tone My liking is accordingly FOR the tone which has made him possible Oh you ll hear enough of it she laughed before you ve done with us Only this in truth had made him frown a little **Revelation** Rob

Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story **The New Jerusalem Bible** Henry Wansbrough,1999-03-16 The New Jerusalem Bible Standard Edition will satisfy the great need for an authoritative version of the greatest story ever told in a package so attractive user friendly and affordable this edition is destined to become a classic Using the same translation that has been hailed as truly magnificent Journal of Bible Literature the Standard Edition has a completely redesigned interior set in a two column format for easy reading With all the best features of much more cumbersome and costly versions this Bible is a must have for home church and school *The Columbia Anthology of Chinese Folk and Popular Literature* Victor H. The Medieval Presence in Modernist Literature Jonathan Ulliot, 2016 This book rethinks the influence that early medieval studies and Grail narratives had on modernist literature Through examining several canonical works from Henry James The Golden Bowl to Samuel Beckett's Molloy Ulliot argues that these texts serve as a continuation of the Grail legend inspired by medieval scholarship

Toward a New Sensibility O. K. Bouwsma, 1982-01-01 O K Bouwsma one of America's foremost Wittgensteinians was also an extraordinarily dedicated and effective teacher The present collection assembled posthumously from his papers includes twelve essays all but one previously unpublished and all characterized by the humor common sense and wisdom that marked his classroom lectures Ranging in subject matter from topics in Wittgenstein to Descartes to aesthetics the pieces all show the influence of Wittgenstein Some of the questions they raise deal with the traditional and historical background of twentieth century philosophy Am I dreaming Is what I see real Are there material objects while others relate to considerations peculiar to thinkers today for example What is Wittgenstein doing in his writing What does philosophy have to do with language Bouwsma wants first to understand the philosophical questions to unknot the knitted eyebrows it produces Accordingly his major concern is how we as thinkers readers writers and speakers separate what we understand from what we do not understand hence his consideration in the opening essay of a new sensibility in the matter of our language Always approaching the subject as a practical problem rather than as an abstract theoretical issue these essays demonstrate with patience and wit ways to achieve clarity on puzzles long thought intractable

Dynamic Form Cara L. Lewis, 2020-07-15 Dynamic Form traces how intermedial experiments shape modernist texts from 1900 to 1950 Considering literature alongside painting sculpture photography and film Cara Lewis examines how these arts inflect narrative movement contribute to plot events and configure poetry and memoir As forms and formal theories cross from one artistic realm to another and back again modernism shows its obsession with form and even at times becomes a formalism itself but as Lewis writes that form is far

more dynamic than we have given it credit for Form fulfills such various functions that we cannot characterize it as a mere container for content or matter nor can we consign it to ignominy opposite historicism or political commitment As a structure or scheme that enables action form in modernism can be plastic protean or even fragile and works by Henry James Virginia Woolf Mina Loy Evelyn Waugh and Gertrude Stein demonstrate the range of form s operations Revising three major formal paradigms spatial form pure form and formlessness and recasting the history of modernist form this book proposes an understanding of form as a verbal category as a kind of doing Dynamic Form thus opens new possibilities for conversation between modernist studies and formalist studies and simultaneously promotes a capacious rethinking of the convergence between literary modernism and creative work in other media
