The Sin of the Calf Youn Ho Chung,2010-05-06 The goal of the work is to expose what factors turned a positive or neutral character of the Golden Calf image into a negative one **Penguins and Golden Calves** Madeleine L'Engle,2018-09-18

Despite protests and warnings from friends and family author Madeleine L Engle at the age of seventy four embarked on a rafting trip to Antarctica Her journey through the startling beauty of the continent led her to write Penguins and Golden Calves a captivating discussion of how opening oneself up to icons or everyday windows to God leads to the development of a rich and deeply spiritual faith Here L Engle explains how ordinary things such as family words the Bible heaven and even penguins can become such windows She also shows how such a window becomes an idol a penguin becomes a golden calf when we see it as a reflection of itself instead of God With delightful language insightful metaphor and personal stories L Engle brings readers to a deeper understanding of themselves their faith and the presence of God in their daily lives

The Golden Calf Between Bible and Qur'an Michael E. Pregill, 2020 This book explores the story of the Israelites' worship of the Golden Calf in its Jewish Christian and Muslim contexts from ancient Israel to the emergence of Islam It focuses in particular on the Qur'an's presentation of the narrative and its background in Jewish and Christian retellings of the episode from Late Antiquity Across the centuries the interpretation of the Calf episode underwent major changes reflecting the varying cultural religious and ideological contexts in which various communities used the story to legitimate their own tradition challenge the claims of others and delineate the boundaries between self and other The book contributes to the ongoing reevaluation of the relationship between Bible and Qur'an arguing for the necessity of understanding the Qur'an and Islamic interpretations of the history and narratives of ancient Israel as part of the broader biblical tradition The Calf narrative in the Qur'an central to the qur'anic conception of the legacy of Israel and the status of the Jews of its own time reflects a profound engagement with the biblical account in Exodus as well as being informed by exegetical and parascriptural traditions in circulation in the Qur'an's milieu in Late Antiquity The book also addresses the issue of Western approaches to the Qur'an arguing that the historical reliance of scholars and translators on classical Muslim exegesis of scripture has led to misleading conclusions about the meaning of qur'anic episodes
