**The Stars That Entertain Us** Writers Alliance,Poets World-Wide, *Broadcast and Internet Indecency* Jeremy Lipschultz,2008-02-14 Indecency arguably among the most provocative and incendiary issues in today s media is speech at the edge of social tolerance This timely volume examines broadcast and Internet indecency from legal and social perspectives utilizing current cases and well publicized examples In exploring the issues associated with this highly controversial area author Jeremy Harris Lipschultz makes headway toward an understanding of how indecency as communication on the fringes of social norms functions in defining free expression through specific types of speech He contrasts conceptualizations of indecency and obscenity synthesizes case law and social research and develops theoretical generalizations for future research and study His work provides a comprehensive examination of broadcast and Internet indecency issues and cases that serve to test generalizations about freedom of expression and one s ability to define free speech □□□□□□□□□□□□□□□□ □□□,2021-03-01 150 200 2000 11000 Rethinking Cultural Criticism Nete Nørgaard

Kristensen, Unni From, Helle Kannik Haastrup, 2020-11-30 This edited volume examines cultural criticism in the digital age It provides new insights into how critical authority and expertise in a cultural context are being reconfigured in digital media and by means of digital media as the boundaries of cultural criticism and who may perform as a cultural critic are redefined or even dissolved The book applies cross media and cross disciplinary perspectives to advance cultural criticism as a wide ranging and multi faceted object of study in the 21st century Presenting a broad collection of case studies including global cases such as the Golden Globe the Intellectual Dark Web YouTube Rotten Tomatoes and Artsy and particular national contexts such as Britain the Czech Republic Denmark and the Netherlands the book showcases the many theoretical and methodological approaches that may serve as useful frameworks for studying new critical voices in the digital age It will be of interest to media communication and journalism scholars as well as scholars from a range of aesthetic disciplines *The Social Science of Cinema* James C. Kaufman, Dean Keith Simonton, 2013-11-01 Ever since motion pictures first landed on screen there have been many key questions that the studios and movie watchers have tried to answer What makes a movie an Oscar winner How does one movie become a hit and another movie flop Why do some films earn critical acclaim while other films become critical turkeys or bombs How do audiences perceive film What makes a movie resonate with a viewer Are we unduly influenced by negative behaviors on screen These questions have spurred debates discussions and many theories Until the last two decades however it was quite rare to have the issues approached from a scientific viewpoint The Social Science of Cinema compiles research from such varied disciplines as psychology economics sociology business and communications to find the best empirical research being done on the movies based on perspectives that many filmgoers have never considered Essays explore such topics as the specific factors that influence whether movies make money win awards or flop how our personality impacts on our viewing preferences issues of gender inequity on screen the relationship between visual perception and the way movies are edited and many more This book attempts the ultimate act of figuring out the mystery behind the movies what makes them so memorable to us what makes them this century s leading works of art and how this art intersects with the business of making money
