Golden Chance:

Golden Chances Jane Toombs, 2018-01-01 In California shortly after Confederation generations of two powerful dynasties loved and died for the land as children were born grew into adults intermarried rebelled and formed new links to the California dynasties *The Golden Chance* Jayne Ann Krentz, 2005 *Decisions* United States. Federal Mine Safety and Health Review Commission, 1995 *Daily Graphic* Nana Addo Twum, 1981 The Golden Chance Theodore V Olsen, 1993-12-31

Cecil B. DeMille's Hollywood Robert S. Birchard, 2004-06-29 A look at the wide ranging work of the Golden Age genius who made *The Ten Commandments* and other blockbusters and helped found the American film industry Cecil B DeMille's *Hollywood* is a detailed and definitive chronicle of the director's screen work that changed the course of film history and a fascinating look at how movies were actually made in Hollywood's Golden Age Drawing extensively on DeMille's personal archives and other primary sources Robert S Birchard offers a revealing portrait of DeMille the filmmaker that goes behind studio gates and beyond DeMille's legendary persona In his forty five year career DeMille's box office record was unsurpassed and his swaggering style established the public image for movie directors He had a profound impact on the way movies tell stories and brought greater attention to the elements of decor lighting and cinematography Best remembered today for screen spectacles such as *The Ten Commandments* and *Samson and Delilah* DeMille also created Westerns realistic chamber dramas and a series of daring and highly influential social comedies while setting the standard for Hollywood filmmakers and demanding absolute devotion to his creative vision from his writers artists actors and technicians Far and away the best film book published so far this year National Board of Review *Cecil B. DeMille and American Culture* Sumiko Higashi, 1994-12-02 Cecil B DeMille and *American Culture* demonstrates that the director best remembered for his overblown biblical epics was one of the most remarkable film pioneers of the Progressive Era In this innovative work which integrates cultural history and cultural studies Sumiko Higashi shows how DeMille artfully inserted cinema into genteel middle class culture by replicating in his films such spectacles as elaborate parlor games stage melodramas department store displays Orientalist world's fairs and civic pageantry The director not only established his signature as a film author by articulating middle class ideology across class and ethnic lines but by the 1920's had become a trendsetter with set and costume designs that influenced the advertising industry to create a consumer culture based on female desire Drawing on a wealth of previously untapped material from the DeMille Archives and other collections Higashi provides imaginative readings of DeMille's early feature films viewing them in relation to the dynamics of social change and she documents the extent to which the emergence of popular culture was linked to the genteel tradition

Renegade Champion Richard R. Rust, 2008-08-22 If you buy that horse you're buying your daughter's death warrant Jane Pohl's father was warned at the army barracks in the spring of 1941 But the potential that his teenage daughter Jane saw in the small temperamental Thoroughbred was enough to convince him otherwise Earlier that year when Fitzrada arrived at the army

base where Jane's family lived the horse was stubborn unpredictable and dangerous Any man who dared addle him up soon found himself face down in the dirt Jane excited to ride any horse and up for the challenge had the most success with Fitz She was patient and consistent and the horse responded well at last showing a great affinity for jumping Then inexplicably a terrible riding accident resulted in serious injuries for both Jane and Fitz and the army decide that it was time to destroy the horse Heartbroken Jane pleaded with her reluctant father the only way to save Fitz was to buy him from the army Jane Pohl's foresight proved to be correct Jane and Fitz went on to take the Virginia show jumping circuit by storm winning 37 jumper and 6 hinter championships At a time when women were rarely seen in jumping classes at horse shows and were not taken seriously by male competitors Jane and Fitz helped to break down barriers against women riders competing in the Olympics In 1946 Jane and Fitz found themselves at the Jumper Championship at the prestigious National Horse Show in Madison Square Garden the highest jumping title in North America The road there for horse and rider was a five year test of faith patience and understanding friendship

Neglected Social Theorists of Color Korey Tillman, David R. Dickens, C.C. Herbison, 2022-10-12 Neglected Social Theorists of Color Deconstructing the Margins provides a novel contribution to the ongoing debates concerning the canon in contemporary sociological theory In particular the editors argue that many scholars whose work may hold significant potential for contributions to contemporary debates in social theory go unrecognized Still others while not completely ignored have fallen victim to a cultural and political climate not receptive to their work Feminist scholars have been in the forefront of these debates arguing that many insightful social theorists have been marginalized because of their gender More recently studies of individual theorists of color have appeared but these have been limited to African American scholars such as W E B Du Bois In the present text the editors extend this approach to include a broad diversity of theorists of color including those of African American Afro Caribbean Latinx Asian Asian American and Native American backgrounds In addition the editors also include the work of authors who come from academic fields outside of sociology and others who are journalists activists or independent writers The work has a unique format where the authors of each chapter provide a theoretical analysis of their subject and a discussion of the contemporary significance of their work lending to a rich discussion of underappreciated sociological scholars

Empire of Dreams Scott Eyman, 2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as *The Ten Commandments* and *King of Kings* Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky's brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of

the silent era With films such as *The Squaw Man* *Brewster's Millions* *Joan the Woman* and *Don't Change Your Husband* he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of *The Ten Commandments* and later a second biblical epic *King of Kings* both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille's personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In 1952 he won the Academy Award for Best Picture with *The Greatest Show on Earth* When he remade *The Ten Commandments* in 1956 it was an even bigger hit than the silent version He could act too In Billy Wilder's classic film *Sunset Boulevard* DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clichéd image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era *Hollywood Before Glamour* M. Tolini Finamore, 2013-01-28 This exploration of fashion in American silent film offers fresh perspectives on the era preceding the studio system and the evolution of Hollywood's distinctive brand of glamour By the 1910s the moving image was an integral part of everyday life and communicated fascinating but as yet uninvestigated ideas and ideals about fashionable dress *Guide to the Silent Years of American Cinema* Christophe P. Jacobs, Donald McCaffrey, 1999-09-30 The latest offering from the Reference Guides to the World's Cinema series this critical survey of key films actors directors and screenwriters during the silent era of the American cinema offers a broad ranging portrait of the motion picture production of silent film Detailed but concise alphabetical entries include over 100 film titles and 150 personnel An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times The annotated entries alphabetically arranged by film title or personnel include brief bibliographies and filmographies An appendix lists secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources and that builds upon the increased studies and research of the past ten years *Classical Hollywood Comedy* Kristine Brunovska

Karnick, Henry Jenkins, 2013-02-01 Applies the recent return to history in film studies to the genre of classical Hollywood comedy as well as broadening the definition of those works considered central in this field **Film and Fairy Tales** Kristian Moen, 2013-05-07 Far from a realm of pure fantasy helping people to escape harsh realities fairy tales and the films that rooted themselves in their tropes and traditions played an integral role in formulating and expressing the anxieties of modernity as well as its potential for radical magical transformation In *Film and Fairy Tales* Kristian Moen examines the role played by fairy tales in shaping cinema its culture and its discourse during its most formative years Well established by the feerie of the nineteenth century as popular entertainment and visual spectacle the wonders of mutability offered by fairy tale fantasies in the early films of Melies situated cinema itself as a realm of enchantment rife with enthralling and disturbing possibilities Through an analysis of early film theorists and a detailed case study of Tourneur's 1918 film *The Blue Bird* Moen shows how the spectacles and tropes of the fairy tale continued to shape ideas of cinema's place in modern life Stars like Mary Pickford and Marguerite Clark who not only played fantasy roles but presented their off screen personae in deliberately fantastic terms and the transformative claims of modernity expressed through visions such as Orientalist fairylands are analysed to show the extent to which fairy tales were used to negotiate different experiences of modernity the giddy adventures of social mobility consumer culture and identity transformation the threats and anxieties of cultural change impermanence and mutability Moen traces the evolution of the fairy tale in film to its self aestheticising peak in *Snow White* and the *Seven Dwarfs* alongside ironic allusions in films like Hitchcock's *Rebecca* and Howard Hawks' *Ball of Fire* concluding with an examination of how fairy tale visions of fantastic transformation have seen a resurgence in contemporary cinema from Tim Burton to Harry Potter In the process he shows how cinema made fairy tales modern and fairy tales helped make cinema what it is today **Agriculture Handbook**, 1998 Set includes revised editions of some issues *Handbook of Peach and Nectarine Varieties* W. R. Okie, 1998 **The Jersey Bulletin and Dairy World**, 1912 *Herd Register* American Jersey Cattle Club, 1926 **Cecil B. DeMille** Simon Louvish, 2008-03-04 Examines the life and work of the motion picture director best known for his biblical sagas including *Samson and Delilah* and *The Ten Commandments* discussing his complex personal life and the paradoxes existing within his films *Life is a Precious Gift* Prerna Kotecha, In *Life is a Precious Gift* author Prerna Kotecha the Founder and Director of Dream Life Counselling and a renowned Career and Personal Counsellor as well as a Life Coach invites readers on a transformative journey towards embracing the true essence of life With a wealth of expertise in guiding individuals towards their dreams and aspirations Prerna provides profound insights and practical wisdom to help readers navigate the complexities of existence This inspiring book explores the idea that life is a precious gift offering readers a roadmap to discover their purpose overcome challenges and find fulfillment in every aspect of their lives Through relatable anecdotes and thought provoking exercises Prerna empowers readers to unlock their potential set meaningful goals and develop a resilient mindset Her unique blend of counselling expertise and
