Wanted Undead Or Alive Jonathan Maberry,Janice Gable Bashman,2010 An indispensable guide identifying and describing mankind s enemies supernatural beasts ghosts vampires serial killers etc and unearthing effective time proven responses to each horrific threat *The A to Z of Fantasy Literature* Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites *Beguiled Me* A. Emmanuel Reed,2017-10-11 As Gods precious creation continues to spiral down a mindless path of chaos and destruction one can only ask How will it end But before we can even begin to wrap our minds around the reason to why it must end we first must ask ourselves Where did the problem begin I will assume by now that youve already heard the whole God created the heavens and earth story as well as the infamous scandal that led up to the fall of humanity But theres more to the secret For many generations my name has been the epitome of something to abhor as people would often say If Eve wouldve never eaten the apple and seduced her husband we wouldnt be in this mess Everyone condemns me for being the reason why sin has entered the world even without giving me a fair trial to plead my case But for the first time ever I will tell you what really happened in the garden of paradise and expose a dark secret that not even the scriptures would dare to show A very disgraceful confession that has been kept hidden for thousands of years but still somehow manages to germinate Gods green earth with the seeds of enmity So without further ado **Thousand Shrine Warrior** Jessica Amanda Salmonson,2015-04-07 Tomoe turns to religion to escape her past but destiny is not through with her yet The young girl

crashes through the underbrush desperate to escape the cackling soldiers at her back After catching her in a tryst with a local farm boy they intend to execute her for her sin She runs for as long as she can finally collapsing outside a shrine where a traveling nun sits with her flute When the soldiers arrive the nun sets her flute aside drawing a legendary sword She kills the men easily and sets the young girl free Though she tried to avoid it Tomoe Gozen has shed blood once again After countless battles and endless wandering this legendary samurai has renounced Bushido and taken the oaths of a wandering nun But though she disguises herself as a mendicant trouble will find her still Tomoe must engage in one last fight this time for the sake of her soul
