Goldfish Yawned:

The Goldfish Yawned ,2005-10 A perfect good night book A child falls asleep dreaming The clock tick tocks The night light hums On the rug a ship sets sail This fantastical story with vibrant bold illustrations will take you on a magical voyage and bring you back safe and sound just as the sun is about to rise **The Ghost Army of World War II** Rick

Beyer,Elizabeth Sayles,2015-05-12 The Ghost Army of World War II describes a perfect example of a little known highly imaginative and daring maneuver that helped open the way for the final drive to Germany It is a riveting tale told through personal accounts and sketches along the way ultimately a story of success against great odds I enjoyed it enormously Tom Brokaw In the summer of 1944 a handpicked group of young GIs including such future luminaries as Bill Blass Ellsworth Kelly Arthur Singer Victor Dowd Art Kane and Jack Masey landed in France to conduct a secret mission Armed with truckloads of inflatable tanks a massive collection of sound effects records and more than a few tricks up their sleeves their job was to create a traveling road show of deception on the battlefields of Europe with the German Army as their audience From Normandy to the Rhine the 1 100 men of the 23rd Headquarters Special Troops known as the Ghost Army conjured up phony convoys phantom divisions and make believe headquarters to fool the enemy about the strength and location of American units Between missions the artists filled their duffel bags with drawings and paintings and dragged them across Europe Every move they made was top secret and their story was hushed up for decades after the war s end The Ghost Army of World War II is the first publication to tell the full story of how a traveling road show of artists wielding imagination paint and bravado saved thousands of American lives **A to Zoo** Rebecca L. Thomas,2018-06-21 Whether used for thematic

story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles **The Best Children's Books of the Year** ,2006
