the American effort and the Allied Cause in a total and global war Kaleidoscopic and immersive Gotham at War captures the full spectrum of New York and the war from every possible aspect social political economic and military Even before the war had started street battles between New York s homegrown fascists and the workers movement allied with immigrants from all over the world and their children in the barrios of Gotham played prelude Set in the generation after race scientists based in the elite warrens of the Upper East Side championed and then imposed national immigration restriction Gotham at War sees New Yorkers struggle to shake off the city s eugenic past Between 1933 and 1945 the city wrestled with itself starting from the rise of Hitler through isolationism and growing interventionism through Pearl Harbor and a full throated war effort when millions of American soldiers and sailors and billions of tons of materiel passed through New York s waterfronts to the warfronts Along the way Mike Wallace s saga traces the transformation of New York embracing garment workers and skyscrapers the subway and Wall Street gangsters and idealists pols and reformers nightclubs and boardrooms Nazi infiltrators and FBI gumshoes magazines and movies shuls and cathedrals every neighborhood every industry and all the peoples of the city swept up in a world that had caught fire Here is a portrait of a city and a war like no other Gotham at War traces the transformation of New York from Depression wracked mother of exiles to a front in the Second World War and ultimately to the seat of the United Nations and a very contested capital of the world Forgotten Disney Kathy Merlock Jackson,Carl H. Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory Resist Julia Bell,Bidisha,SJ Bradley,Jude Brown,Lucy Caldwell,Steve Chambers,Martin Edwards,Uschi Gatward,Luan Goldie,Gaia Holmes,Nikita Lalwani,Zoe Lambert,Anna Lewis,Irfan Master,Donny O'Rourke,Kamila Shamsie,Karline Smith,Kim Squirrel,Lucas Stewart,Eley Williams,2019-10-17 At a time that feels unprecedented in British politics with unlawful prorogations of parliament casual race baiting by senior politicians and a climate crisis that continues to be ignored it s easy to think these are uncharted waters for us as a democracy But Britain has seen political crises and far right extremism before just as it has witnessed regressive heavy handed governments Much worse has been done or allowed to be done in the name of the people and eventually those same people have called it out stood up resisted In this new collection of fictions and essays spanning two

millennia of British protest authors historians and activists re imagine twenty acts of defiance campaigns to change unjust laws protests against unlawful acts uprisings successful and unsuccessful from Boudica to Blair Peach from the Battle of Cable Street to the tragedy of Grenfell Tower Britain might not be famous for its revolutionary spirit but its people know when to draw the line and say very clearly No pasar n This project has been supported by the Barry Amiel and Norman Melburn Trust and the Lipman Miliband Trust as well as Arts Council England Part of Comma s History into Fiction series
