successful early childhood practices is presented along with background research and practical advice on helping children initiate their own constructive play. The types of activities teachers will find include learning activities appropriate to a young child's age and stage of development, quality pre-school activities that boost all children's language and literacy skills and build a strong foundation for reading and literacy success in school, opportunities for children to use oral language in a variety of ways as they play and experiment with words, adult-initiated whole group activities that can be extended into child-initiated play. Early Literacy Fundamentals provides a comprehensive overview of the language and literacy experiences children need and helps teachers give them a strong base on which future reading and learning success can grow.
