The Obits: New York Times Annual 2012 William McDonald,2011-11-11 The obits It s the first section many of us turn to when we open the paper not to see who died but rather to find out about who lived to discover the interesting lives of people who ve made a mark A new annual that collects nearly 300 of the best of The New York Times obituaries from the previous year The Obits Annual 2012 is a compelling addictive as salted peanuts who s who of some of the most fascinating people of the twentieth century Written by top journalists each entry is a jewel a miniature nuanced biography filled with the facts we love to read with the surprise and serendipity of life There s David L Wolper the producer of Roots and the story of how he got his start purchasing film footage from Sputnik The jazz singer Abbey Lincoln and her change from glamorous performer she owned a dress of Marilyn Monroe s to civil rights activist she burned the Monroe dress Owsley Stanley the quirky perfecter of LSD who blamed a heart attack on the fact that his mother made him eat broccoli as a child Patricia Neal known by most as a movie star but her real life filled with tragedy adversity and incredible professional ups and downs is almost a surreal play of triumph and tragedy Arranged chronologically like the obits themselves it s a deliciously random walk through the recent past meeting the philosophers newsmen spies publishers moguls soul singers baseball managers Nobel Prize winners models and others who ve shaped the world The Mexican American Experience Matt S. Meier,Margo Gutiérrez,2003-12-30 Mexican Americans are rapidly becoming the largest minority in the United States playing a vital role in the culture of the American Southwest and beyond This A to Z guide offers comprehensive coverage of the Mexican American experience Entries range from figures such as Corky Gonzales Joan Baez and Nancy Lopez to general entries on bilingual education assimilation border culture and southwestern agriculture Court cases politics and events such as the Delano Grape Strike all receive full coverage while the definitions and significance of terms such as coyote and Tejano are
