Golf How Good Do You Want To Be:

How Good Do You Want to Be? Nick Saban, Brian Curtis, 2007-12-18 The winning philosophy for creating and inspiring success that will help you triumph at work and in life from renowned football coach Nick Saban with a foreword by Bill Belichick Excellence doesn't happen overnight It comes from hard work consistency the drive to be the best and a passion for what you do Few understand this better than Nick Saban With more than three decades of experience as a player and coach Saban has worked alongside some of the game's legends and has seen firsthand how great leaders encourage greatness in others In this candid and thoughtful guide he shares his unique wisdom Organization Organization Organization Create an environment where everybody knows his or her responsibilities and each is responsible to the entire group Motivate to Dominate Understand the psychology of teams and individuals and use that knowledge to breed success No Other Way than Right Practice ethics and values and demand the same from your team Look in the Mirror Maintain an understanding of who you are by knowing your strengths and your weaknesses How Good Do You Want to Be is more than the story of how Nick Saban motivates his staff and players to excel it is also the memoir of one of America's most successful coaches Filled with instructive anecdotes and illuminated by never before told stories of his life and career this is a book that challenges and inspires us all to be our best

Golf Bill Kroen, 2009-01-01 If you watch a game it's fun If you play it it's recreation If you work at it it's golf Bob Hope This is an easy to read and understand instructional book to help adult players sharpen their skills Although most golfers never improve once they reach adulthood author Bill Kroen wants to help those golfers get past that and take their game to a new level Readers will learn how to really learn the game not just how to swing they'll gain a greater sense of awareness of the total golf experience and they will finally learn how to take their practice game to the golf course Drawing on his background in psychology Kroen directs his readers to envision the results they want Then they can put what they read into practice without the confusion caused by most instructional books Golf How Good Do You Want to Be offers a blueprint for resourceful practice and practical application with chapters including The Mental Connection The Art of Practice Thinking Your Way Around the Course and Scoring Well
