The Scorecard Always Lies Chris Lewis, 2007-05-15 As Tiger Woods broke down in tears on the 18th green at Royal Liverpool Golf Club legions of spectators strained their eyes to read the emotion on his face Like the millions watching on television they knew that Tiger had just won the British Open and that his father had recently died Beyond that however they knew precious little only that he played with a Nike golf ball carried an American Express card in his wallet and presumably drove a Buick They were hungry for more but everything else about his off course life and those of his fellow pros

was forbiddingly well guarded Until now In *The Scorecard Always Lies* veteran Sports Illustrated golf correspondent Chris Lewis reaches past the results stats and sound bites to focus on the personalities and personal lives of the sport's top players While embracing all the drama and excitement of the 2006 PGA Tour season he takes us inside the locker rooms hotel rooms and private planes to deliver an unrivaled behind the scenes look at the Tour and the men who play it Lewis spent thirty weeks of the 2006 season on the road with the best golfers in the world exploring their backstories motivations and preoccupations and collecting telling character revealing tales He bore witness to both the hard work and the privilege that frame their lifestyles But he also discovered a Tour that to this point remained largely unknown one where a player while pursuing dreams of glory might also be suing his agent going through a messy divorce or looking to throw down in the locker room with one of his peers There's John Daly trying to explain how his wife has just been taken off to jail There's Chris Couch making a midnight barefoot run through a derelict district of New Orleans fearing he was about to be kidnapped and taking refuge in a tattoo parlor We watch as Tiger Woods tries to deal with losing his father to cancer while refusing to abandon his fondness for blue humor We see Phil Mickelson hanging with rock stars sharing a Masters victory gift with a national championship winning college football coach and hooking up a sportswriter with a would be groupie's phone number All in all we get a rare glimpse of the off course lives of the Tour's stars and their supporting cast At turns humorous touching and insightful the book sheds new light on every aspect of Tour life from easygoing Tuesday practice rounds to feverpitch Sunday showdowns always taking care to show how their off course concerns inform their every swing Fans will savor the fullest portrait yet of a group of players who throughout their successes and struggles remain unfailingly smart funny and engaging and make up the most intriguing subculture in all of sports *Country Life Illustrated* ,1907 *Country Life* ,1907

Homer Kelley's Golfing Machine Scott Gummer,2009 *More Bollocks to Alton Towers* Alex Morris,Jason Hazeley,Joel Morris,Robin Halstead,2008-04-03 Leave the hordes behind pack some sandwiches and head off for a grand day out Whether it's the National Fruit Collection or the pub where time stood still Britain is stuffed full of surprising and idiosyncratic local attractions The authors of *Bollocks to Alton Towers* the bestselling celebration of the plucky underdogs of tourism have ventured even farther off the beaten track and into the corners that corporate branding forgot to bring you more unique glorious and uncommonly British days out Here you'll discover The garden centre with a replica of Del Boy's living room The joys of a Melton Mowbray pork pie pilgrimage The rude charms of the Boscastle Witchcraft Museum The Clowns Gallery that paints a smile on Hackney's face This book is a reminder of all the odd things that make the British what we are A hidden eccentric and joyous world of teas fans trains shoes and puppets is waiting for you out there far from the sodding crowd
