NEW YORK TIMES BESTSELLER A riveting The Wall Street Journal and wonderfully entertaining The Boston Globe account of Frank Lloyd Wright's life told through the experiences of the four women who loved him Boyle handles the big themes Wright the genius battling an uncomprehending philistine world and Wright the man loving and loathing his women with extraordinary brio San Francisco Chronicle Is it easy to live with a genius Frank Lloyd Wright's life was one long howling struggle against the bonds of convention whether aesthetic social moral or romantic He never did what was expected and he never let anything get in the way of his larger than life appetites and visions Wright's triumphs and defeats were always tied to the women he loved Olgivanna Milanoff an imperious Montenegrin beauty who was a student of the Russian mystic Gurdjieff and was known by Wright's apprentices as the Dragon Lady Maude Miriam Noel a passionate Southern belle with a mean temper and a fondness for morphine the spirited Mamah Borthwick Cheney tragically murdered at Wright's Wisconsin estate Taliesin in 1914 and his young first wife Kitty Tobin with whom he had six children T C Boyle deftly captures these very different women and in doing so creates a sexy gripping drama about marriage the bargains men and women make and the privileges and pitfalls of genius and fame

**ECHOES IN THE DARK** Gayle Wilson, 2012-07-16 Without a Past Caroline Evans knew that she would never have memories to fill the blankness of her past Something had happened to her she'd been told something so terrible her mind refused to remember Without a Future Nine years ago Julien Gerrard lost his wife and his sight in one explosive instant Now into his carefully controlled world walked Caroline Evans whose every touch whisper and footstep brought back echoes of the memories he'd tried so hard to put behind him Now that he'd finally reconciled himself to the loss of his wife had she returned

Roth and Trauma Aimee Pozorski, 2011-07-14 Roth and Trauma The Problem of History in the Later Works 1995 2010 moves beyond a critical reception of Philip Roth's recent fiction that has focused primarily on an interest in post WWII America By contrast Aimee Pozorski argues that these novels grapple more comprehensively with US history in their fascination with America's traumatic beginnings and the legacy of the American Revolution Drawing on close readings and trauma theory Roth and Trauma reveals the problem of history in Roth's later works to be the unexpected and repeated appearance of historical trauma that links the still unfinished American dream with the nightmarish quality of our recent history
