**Hollywood Movie Novels** , 1918      The Story of the Forest Linda Grant, 2024-11-12 Shortlisted for the Orwell Prize A Parade Best Book of the Year A Paste Most Anticipated Historical Fiction for Fall Sarah Jessica Parker is curating as a publisher some of the most beautiful novels that I read And this one in love with it Don't miss it Adriana Trigiani You Are What You Read Romance tragedy war the horrors of the pogroms business dynasties and more make this closely observed novel inspired somewhat by Grant's family story into a page turner Parade It's 1913 when Mina the young and carefree daughter of a Jewish merchant roams into a forest on the edge of the Baltic Sea looking for mushrooms Instead she encounters a gang of unruly charismatic Bolsheviks an adventure that will become the stuff of familial lore for generations to come Intending to save her from further corruption and in an act that forever changes the trajectory of their family's life

Mina and her eldest brother Jossel board a ship to England. There the threat of a different war looms large. When WWI hits, Jossel is sent to the front where he keeps a severely wounded soldier in his unit alive till morning by telling him tales including that his sister Mina will marry him if he survives. The soldier lives and asks for Mina's hand in their marriage, uniting two growing trade dynasties. But over time, Mina and Jossel will learn that not everyone in their family has survived the wars and pogroms, even as they and their offspring struggle to build new lives in Liverpool in the midst of ever-shifting discriminations. Based on the author's own family history and legends, *The Story of the Forest* is a remarkable record of family lore, a meditation on the power of stories to ground us, particularly in the face of life's inevitable losses, told with a keen wit and a sharp eye to the charms and the foibles of family by masterful British novelist Linda Grant. *The Cliffs: Reese's Book Club* J. Courtney Sullivan, 2025-06-17 REESE'S BOOK CLUB PICK A novel of family secrets, ghosts, and homecoming set on the seaside cliffs of Maine by the New York Times best-selling author of *Friends and Strangers*. A stunning achievement and J. Courtney Sullivan's best book yet, Sullivan weaves a narrative that's fascinating and thought-provoking. I literally could not put this book down. Ann Napolitano, New York Times best-selling author of *Hello Beautiful*. On a secluded bluff overlooking the ocean sits a Victorian house, lavender with gingerbread trim, a home that contains a century's worth of secrets. By the time Jane Flanagan discovers the house as a teenager, it has long been abandoned. The place is an irresistible mystery to Jane. There are still clothes in the closets, marbles rolling across the floors, and dishes in the cupboards, even though no one has set foot there in decades. The house becomes a hideaway for Jane, a place to escape her volatile mother. Twenty years later, now a Harvard archivist, she returns home to Maine following a terrible mistake that threatens both her career and her marriage. Jane is horrified to find the Victorian is now barely recognizable. The new owner, Genevieve, a summer person from Beacon Hill, has gutted it, transforming the house into a glossy white monstrosity straight out of a shelter magazine. Strangely, Genevieve is convinced that the house is haunted, perhaps the product of something troubling Genevieve herself has done. She hires Jane to research the history of the place and the women who lived there. The story Jane uncovers of lovers lost at sea, romantic longing, shattering loss, artistic awakening, historical artifacts stolen and sold, and the long shadow of colonialism is even older than Maine itself. Enthralling, richly imagined, filled with psychic mediums and charlatans, spirits, and past lives, mothers, marriage, and the legacy of alcoholism, this is a deeply moving novel about the land we inhabit, the women who came before us, and the ways in which none of us will ever truly leave this earth. **The All Music Book of Hit Albums** Dave McAleer, 1995 A comprehensive chronological listing of the Top Ten albums in the U.S. and the U.K. from 1960 through the present day, includes monthly charts accompanied by photographs, information on the albums, and artist trivia.
