**Christo and Jeanne-Claude Wrap the World: The Story of Two**

Groundbreaking Environmental Artists G. Neri, 2023-04-18 From Coretta Scott King Honor recipient G Neri and acclaimed illustrator Elizabeth Haidle comes an exploration of love art and the gifts that two brilliant creators gave the world Their projects made people smile or made them mad They made people see again When they first met Christo was a poor refugee and Jeanne Claude knew nothing about art but they were both rule breakers and kindred spirits Christo s innovative creations everyday objects wrapped to make people reconsider them sparked Jeanne Claude s imagination Thus began their lifelong partnership as husband and wife and as artistic collaborators whose once in a lifetime public installations captivated viewers and asked What is art Who does it belong to And how can it help us reimagine the world around us Accompanied by Elizabeth Haidle s wonderfully stylish illustrations award winning author G Neri takes readers through the remarkable career of a daring duo and a fascinating discussion about the nature of art itself Realized as an imagined conversation between Christo and Jeanne Claude this compelling book features back matter about the couple an author s note a bibliography and a collection of fun facts about the artists and their work Diary of a Worthless Mother Clare A

Kolewski, 2022-02-03 Diary of a Worthless Mother by Clare A Kolewski **The Oldest Angel** B. K. Holder, 2022-12-16 The Oldest Angel Walk a Mile in Their Shoes By B K Holder The book is written by the first human like creation of God before he left his native civilization and created the universe we live in today The story blends science with religion to explain common myths in a simple manner from the perspective of someone who was there when it happened and has first hand knowledge The explanations have fact with a blend of fiction to have the reader scratch their head and think it may be true Others may find it as an answer Mixed with these explanations are the story of the angel going to earth as requested by his father to live with humans for a perspective of the current state of humanity The author made major contributions with humans to shape who they are He settles in West Texas as a home and goes to work in the oil industry He gets married and has a child Over time he figures out why he was sent to earth By 2020 humanity had taken a wrong turn and he was the one to blame **Sunset** ,1908 **Brothers** Bob Rodgers, 2010-01-26 Two boys pack their tents after a weekend in the Australian bush But their father does not arrive to pick them up and it becomes clear that something very unusual is happening In the distance the Australian capital city is in flames Two brothers must work together to fight and survive against an enemy from the stars Another race has watched the arrival of this new enemy but help is far away Something big is happening and the earth will never be the same as the brothers find and fight the force that has turned their world upside down Parental Notes This book was written for my two sons to explore as we developed the plot together how they needed to trust and rely on each other for the rest of their lives The book is action oriented but is built around this theme of cooperation In addition to exploring some behavioural themes such as violence and grief the story also introduces issues such as environmentalism and apocalyptic threats *Flying from the Black Hole* Robert O Harder, 2013-03-15 Air Force navigators and bombardiers have long labored under the shadow of pilots their contributions undervalued

misunderstood or simply unknown to the general public This was especially the case with the non pilot officer aircrew in the Vietnam and Cold War era B 52 Stratofortress Of the six people who operated the bomber three wore navigator wings two of those men were also bombardiers the other an electronic warfare officer Without the navigator bombardiers in particular executing the nuclear war strike plan or flying Southeast Asian conventional bombing sorties would have been impossible This book reveals who these men were and what they did down in the Black Hole a story told by one of their own
