theoretically informed case studies of canonical writers such as Bowen Orwell Greene and Waugh Case studies and critical re evaluations of popular genre writers and forgotten writers **The Cambridge Companion to the Literature of World**

**War II** Marina MacKay, 2009-01-22 An overview of writing about the war from a global perspective aimed at students of modern literature Handbook of British Literature and Culture of the First World War Ralf Schneider, Jane

Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War

*Women's Periodicals and Print Culture in Britain, 1940s-2000s* Laurel Forster, 2020-09-21 Foregrounds the diversity of periodicals fiction and other printed matter targeted at women in the postwar period Foregrounds the diversity and the significance of print cultures for women in the postwar period across periodicals fiction and other printed matter Examines changes and continuities as women's magazines have moved into digital formats Highlights the important cultural and political contexts of women's periodicals including the Women's Liberation Movement and Socialism Explores the significance of women as publishers printers and editors *Women's Periodicals and Print Culture in Britain 1940s 2000s* draws attention to the wide range of postwar print cultures for women The collection spans domestic cultural and feminist magazines and extends to ephemera novels and other printed matter as well as digital magazine formats The range of essays indicates both the history of publishing for women and the diversity of readers and audiences over the mid late twentieth century and the early twenty first century in Britain The collection reflects in detail the important ways in magazines and printed matter contributed to challenged or informed British women's culture A range of approaches including interview textual analysis and industry commentary are employed in order to demonstrate the variety of ways in which the impact of postwar print media may be understood *Intersections of Gender, Class, and Race in the Long Nineteenth Century and Beyond* Barbara

Leonardi, 2018-12-29 This book explores the intersections of gender with class and race in the construction of national and imperial ideologies and their fluid transformation from the Romantic to the Victorian period and beyond exposing how these cultural constructions are deeply entangled with the family metaphor For example by examining the re signification of the angel in the house and the deviant woman in the context of unstable or contingent masculinities and across discourses of

class and nation the volume contributes to a more nuanced understanding of British cultural constructions in the long nineteenth century The central idea is to unearth the historical roots of the family metaphor in the construction of national and imperial ideologies and to uncover the interests served by its specific discursive formation The book explores both male and female stereotypes enabling a more perceptive comparison enriched with a nuanced reflection on the construction and social function of class

**Wartime Fashion** Geraldine Howell, 2013-07-18 A comprehensive analysis of Second World War dress practice and appearance this study places dress at the forefront of a complex series of cultural chain reactions As lives were changed by the conditions of war dress continued to reflect important visual narratives regarding class gender and taste that would impact significantly on public consciousness of equality fairness and morale Using new archival and primary source evidence Wartime Fashion clarifies how and why clothing was rationed and repositions style and design during the war in relation to past expectations and ideas about clothes and fabrics The book explores the impact of war on the dress and appearance of civilian women of all classes in the context

of changing social and economic infrastructures created by the national emergency The varied research elements combined in this book form a rounded and definitive account of the dress history of British women during the Second World War This is essential reading for anyone with an active interest in the field whether personal or professional

**Reading London in Wartime** William Cederwell, 2017-11-06 Reading London in Wartime Blitz the People and Propaganda in 1940s Literature presents an expansive variety of writers and genres including non fiction and film approaches to build a comprehensive social picture of the atmosphere during wartime London From blitz and austerity to the nagging insistency of propaganda this volume examines the representation of London in wartime and early post war literature through each writer s unique perspective on the pressures of 1940s city life Exploring the use of London imagery this book considers how literature redirects attention to individual subjective experience at a time of enforced co operation uniformity and community Unlike government information films and news broadcasts which often used London to prop up prevailing clich s and stereotypes and encouraged patriotic support for the war literature had the freedom to express more recalcitrant truths London writing of the 1940s was not a literature of opposition or dissent but in offering more nuanced depictions of the period it was a counterweight to propaganda and the general war temperament In writing the city becomes a more complex place no longer the easy symbol of defiance and stoicism of the shared sacrifice of ration book and war work

**Woman's Weekly and Lower Middle-Class Domestic Culture in Britain, 1918-1958** Eleanor Reed, 2022-03-23 A unique intersection between periodical and literary scholarship and class and gender history this book showcases a brand new approach to surveying a popular domestic magazine Reading Woman s Weekly alongside titles including Good Housekeeping My Weekly Peg s Paper and Woman s Own and works by authors including Dot Allan E M Delafield George Orwell and J B Priestley it positions the publication within both the contemporary magazine market and the field of literature more broadly redrawing the parameters of that field as it approaches the domestic magazine as a literary genre in its own right Between 1918 and 1958 Woman s Weekly targeted a lower middle class readership broadly housewives and unmarried clerical workers on low incomes who viewed or aspired to view themselves as middle class Examining the magazine s distinctively lower middle class treatment of issues including the First World War s impact on gender the status of housewives and working women women s contribution to the Second World War effort and Britain s post war economic and social recovery this book supplies fresh and challenging insights into lower middle class culture during a period in which Britain s lower middle classes were gaining prominence and middle class lifestyles were undergoing rapid and radical change

*The Battle of London 1939-45* Jerry White, 2021-11-04 Endlessly fascinating White is such a brilliant historian Mail on Sunday Lasting for six long years the Blitz transformed life in the capital beyond recognition marking a time of almost constant anxiety disruption deprivation and sacrifice for Londoners With the capital the nation s frontline during the Second World War by its end 30 000 inhabitants had lost their lives While much has been written about the Myth of the Blitz its riveting social history has often been overlooked

Unearthing what it was actually like for those living through those tempestuous years Jerry White paints a fascinating portrait of the daily lives of ordinary Londoners telling the story through their own voices As a history of the capital in wartime it is probably unsurpassable Sunday Telegraph An impressive history of the capital at war White an accomplished chronicler of London s history tells it with brio and a confident mastery of the sources Literary Review      **The Cambridge History of the English Short Story** Dominic Head,2016-11-14 The Cambridge History of the English Short Story is the first comprehensive volume to capture the literary history of the English short story Charting the origins and generic evolution of the English short story to the present day and written by international experts in the field this book covers numerous transnational and historical connections between writers modes and forms of transmission Suitable for English literature students and scholars of the English short story generally it will become a standard work of reference in its field

Encyclopedia of British Women's Writing 1900-1950 Ashlie Sponenberg,2015-12-23 This study provides a comprehensive and wide ranging resource which includes information on many previously neglected British women writers novelists poets dramatists autobiographers and topics It provides contextualizing material with concise introductions to related topics including organizations movements genres and publications      *Miss Pettigrew Lives for a Day* Winifred Watson,2008 A governess is sent by an employment agency to the wrong address where she encounters a glamorous night club singer Miss LaFosse      **Urban Gothic of the Second World War** S. Wasson,2015-12-04 This book examines writing in the Gothic mode which subverts the dominant national narrative of the British home front Instead of seeing wartime experience as a site of fellowship and emotional resilience Elizabeth Bowen Anna Kavan Mervyn Peake Roy Fuller and others depict shadowy figures on the margin of the nation      Serge Chermayeff Alan Powers,2001 Written by renowned architectural historian Alan Powers Serge Chermayeff Designer Architect Teacher is a fascinating study of one of the major unsung forces of twentieth century architecture Architect of the De La Warr Pavilion and teacher to Rogers and Foster are only a fraction of his immense life and works This keenly anticipated title contains over 200 illustrations 30 of which are in colour Serge Chermayeff Designer Architect Teacher tells the extraordinary life story of one of the pioneers of twentieth century architecture Best known for his collaboration with Eric Mendelsohn on the iconic De La Warr Pavilion in Bexhill on Sea Chermayeff emigrated to America in 1940 to concentrate on teaching Two distinguished careers spanning two distant countries and virtually a whole century have until now conspired to obscure his true influence on the world of architecture This book containing 200 black and white and 30 colour illustrations will fill the gap in the market in the literature about twentieth century architecture Born during 1900 in Grozny Chechnya into an oil rich Jewish family he was educated in England but was unable to take up his place at Cambridge after his family s wealth was lost in the 1917 Revolution He eventually found himself running the modern design department at Waring Gillow after years earning a precarious living variously as a journalist professional dancer including a spell in Buenos Aires managing a dance hall and interior designer He

quickly became a name along with the likes of Wells Coates moving in the right circles at a time of intellectual and ideological ferment He became a key member of the architectural avant garde developing his design philosophy based on physical and psychological comfort and visual harmony As well as the De La Warr Pavilion Chermayeff produced several important buildings including his own house at Bentley Wood before his change of continent and career focus His teaching career began in earnest leading eventually to posts at Harvard under J L Sert and at Yale under Paul Rudolph where his students included Norman Foster and Richard Rogers A brilliant witty and sometimes devastatingly pessimistic lecturer Chermayeff's academic career culminated in two books One of these Community and Privacy with Christopher Alexander 1963 was a bestseller giving Chermayeff a second wave of fame He had a wide circle of friends in other disciplines from art to politics economics and science allowing his influence to be understood in the wider intellectual and political context In an obituary tribute in 1997 his friend and collaborator Alexander Tzonis wrote there are aspects of Chermayeff's thinking that remain as fresh unfulfilled topical and demanding as at the time of their inception in the 1960s 1950s or even the 1930s A book about them is urgently needed Serge Chermayeff Designer Architect Teacher portrays his conviction in the power of positive thought and action for beneficial change and offers many lessons for the architecture profession in the twenty first century
