

Childs River Restoration Project

Former pond north of Carriage Shop Road (2019)

Reconstruction of the stream channel and wetland (April 2021)

The Childs River is a 2-mile long stream flowing south from Johns Pond through Mashpee and Falmouth to Waquoit Bay. The river is part of the Waquoit Bay estuary watershed and located within the U.S. Fish and Wildlife Service's Mashpee National Wildlife Refuge. For more than 150 years, the Childs River has been impacted by humans including addition of a dam for milling and upstream cranberry farming. The Childs River Restoration Project is focused on restoring a more healthy and natural system through the removal of the dam, replacement of the Carriage Shop Road culvert, reconstruction of the stream channel in the former ponds behind the dam, and reconstruction of the stream channel and wetland within the former Farley and Garner cranberry bogs. Led and managed by the Falmouth Rod & Gun Club, many project partners have helped move this project from conceptual ideas (2017) to final designs (2019), permitting (2020), and construction (2020-2021). The Childs River now enters a new phase of its evolution - recovering from centuries of impact and providing new habitat for fish and other wildlife.

This project was completed with support from the following partners:

This project was funded by the U.S. Fish and Wildlife Service and the USFWS National Coastal Wetlands Conservation Grant program, U.S. Environmental Protection Agency Southeast New England Program Watershed Grants through collaboration with Restore America's Estuaries, the Mashpee Community Preservation Committee, the Falmouth Community Preservation Committee, the Falmouth Rod and Gun Club, the Massachusetts Division of Ecological Restoration, the Massachusetts Environmental Trust (driver for a Better Environment Grants Program, the Sporting, Safety, Conservation and Education Fund (SSCEF), Trust (United) Cape Cod, the Falmouth Fund of the Cape Cod Foundation, and Ducks Unlimited.

Religion and American Education Warren A. Nord, 2014-07-01 Warren Nord s thoughtful book tackles an issue of great importance in contemporary America the role of religion in our public schools and universities According to Nord public opinion has been excessively polarized by those religious conservatives who would restore religious purposes and practices to public education and by those secular liberals for whom religion is irrelevant to everything in the curriculum While he maintains that public schools and universities must not promote religion he also argues that there are powerful philosophical political moral and constitutional reasons for requiring students to study religion Indeed only if religion is included in the curriculum will students receive a truly liberal education one that takes seriously a variety of ways of understanding the human experience Intended for a broad audience Nord s comprehensive study encompasses American history constitutional law educational theory and practice theology

philosophy and ethics It also discusses a number of current controversial issues including multiculturalism moral education creationism academic freedom and the voucher and school choice movements **The Party at Jack's** Thomas

Wolfe,2013-06-01 In the summer of 1937 Thomas Wolfe was in the North Carolina mountains revising a piece about a party and subsequent fire at the Park Avenue penthouse apartment of the fictional Esther and Frederick Jack He wrote to his agent Elizabeth Nowell I think it is now a single thing as much a single thing as anything I ve ever written Abridged and edited versions of the story were published twice as a novella in Scribner s Monthly May 1939 and as part of You Can t Go Home Again 1940 Now Suzanne Stutman and John Idol have worked from manuscript sources at Harvard University to reconstruct The Party at Jack s as outlined by Wolfe before his death Here in its untruncated state Wolfe s novella affords a significant glimpse of a Depression era New York inhabited by Wall Street wheelers and dealers and the theatrical and artistic elite Wolfe describes the Jacks and their social circle with lavish attention to mannerisms and to clothing furnishings and other trappings of wealth and privilege The sharply drawn contrast between the decadence of the party goers and the struggles of the working classes in the streets below reveals Wolfe s gifts as both a writer and a sharp social critic Worried Sick
