The Last Lobster Christopher White, 2018-06-05 From the author of Skipjack The Melting World comes a mystery the curious boom in America's beloved lobster industry and its probable crash Maine lobstermen have happened upon a bonanza along their rugged picturesque coast For the past five years the lobster population along the coast of Maine has boomed resulting in a lobster harvest six times the size of the record catch from the 1980s an event unheard of in fisheries In a detective story scientists and fishermen explore various theories for the glut Leading contenders are a sudden lack of predators and a recent wedge of warming waters which may disrupt the reproductive cycle a consequence of climate change Christopher White's The Last Lobster follows three lobster captains Frank Jason and Julie one the few female skippers in Maine as they haul and set thousands of traps Unexpectedly boom may turn to bust as the captains must fight a warming ocean volatile prices and rough weather to keep their livelihood afloat The three captains work longer hours trying to make up in volume what they lack in price As a result there are 3 million lobster traps on the bottom of the Gulf of Maine while Frank Jason and others call for a reduction of traps which may boost prices The Maine lobstering towns are among the first American communities to confront global warming and the survival of the Maine Coast depends upon their efforts It may be an uphill battle to create a sustainable catch as high temperatures are already displacing lobsters northward toward Canadian waters out of reach of American fishermen The last lobster may be just ahead

**Into the Trap** Craig Moodie, 2025-09-23 An action packed adventure about thieves fishing and two boys who lay a trap that will save the day Eddie's family has been trapping lobsters for generations but lately someone has been stealing their catch When Eddie happens across the thieves trap he knows it's up to him to bring in the culprits With the unlikely help of a boy who has run away from sailing camp Eddie embarks on an

adventure that puts his very life at risk      The Curious Lobster Richard W. Hatch, 2018-09-04 An American Wind in the Willows this charming tale of Mr Lobster and his underwater and dry land friends celebrates curiosity and having an open mind and will be sure to delight children and parents Whether you are five or one hundred and five chances are you've never met a lobster as learned and charming as Mr Lobster and he'd be the very first to tell you so Mr Lobster has evaded the fisherman's trap for decades but life in his corner of the ocean seems duller by the day The time has come to seek new adventures new friends and even gasp new dry lands Dry land is of course perilous for a saltwater dwelling creature as are the folks you can meet there like badgers bears birds and snakes But Mr Lobster has a way of turning every enemy into a dear friend and of escaping the scrapes his curiosity gets him into An American Wind in the Willows The Curious Lobster stories have been delighting a small and devoted fellowship of readers for going on eighty years Sweet but not cloying instructive but not didactic they acknowledge the challenges of getting along with others and celebrate the possibilities of a life lived beyond the normal swim of things This edition collects all of Richard W Hatch's Mr Lobster stories originally published in two volumes The Curious Lobster and The Curious Lobster's Island      Wrecked on Labrador Winfrid Alden Stearns, 1888      Impacts of the Atlantic Large Whale Take Reduction Plan on Maine's Lobster Fishery United States. continued her way thoughtfully toward the garden turned off before she reached the gate and climbed a ladder which leaned against the side of the old brick wall From the ladder one could reach a long limb of a scraggy apple tree upon which hung early apples nearly ripe Marian went up the ladder very carefully taking care not to catch her frock upon a nail or a projecting twig as she crept along the stout limb to settle herself in a crotch of the tree From this spot she could see the distant sea pinky purple and shimmering silver Marian did not gaze at this however but turned her face toward the mountains She clasped her hands tightly and repeated firmly Be ye removed into the midst of the sea Be ye removed into the midst of the sea Then she waited but the mountain did not budge an inch though the child kept her eyes fixed upon it Twice three times she repeated the words but the mountain remained immovable I knew it I just knew it exclaimed the child when she had made her final effort and now I want to know how large a mustard seed is To morrow I ll go ask Mrs Hunt Don't Stop the Carnival Herman Wouk,2024-06-11 The basis for the Herman Wouk Jimmy Buffett musical A middle aged New Yorker buys a Caribbean hotel and learns that paradise has its drawbacks in this novel that moves as fast as a Marx Brothers movie The New York Times Book Review Broadway press agent Norman Paperman is pushing fifty with one heart attack already under his belt So he decides to chuck the stressful Manhattan life and bring his wife and teenage daughter to a lush green island With the help of a wheeler dealer friend he winds up buying a small hotel How hard could running one be Pretty hard actually when you throw in an earthquake plumbing problems rampaging ants and a few more unexpected developments at the Gull Reef Club Before long Norman s spirit is as drained as his bank account his marriage is on the brink and he s desperately searching for a way out of this beautiful nightmare Don t Stop the Carnival is a clever comic departure for the Pulitzer Prize winning 1 New York Times bestselling author of such classics as Marjorie Morningstar The Winds of War and The Caine Mutiny and eventually served as the basis for the celebrated Jimmy Buffett album and stage musical Funny and continuously entertaining Norman Paperman although hardly an admirable person is exceedingly human and entirely believable One cringes with sympathy for him The New York Times His sandy beaches are alive with stinging sand flies farce laced with tears Time Three Little Cousins Amy E.
