Performances of *Going Postal* presented by Unseen Theatre Company written by Sir Terry Pratchett adapted by Stephen Briggs directed by Pamela Munt assistant director David Dyte production manager stage manager Andrew Zeuner lighting and sound design by Stephen Dean lighting and sound operator Eleanor Adams cast Nicholas Andrews Kahlia Tutty Hugh O Connor Sam Tutty Natalie Haigh Danny Sag Alastair Preece Paul Messenger Leighton James Nikonus Pappas Adam Thorstensson David Dyte and Pamela Munt *Going Postal* Tom Spallone, 2021-02-03 *Going Postal* by Tom Spallone The writer goes deep in description of working for the United States Postal Service from application to resignation and beyond The only way to truly know what's going on with anything is to simply experience it The reader is taken on an undercover journey within the Postal Service If you've ever wondered why at times your mail is a little moist the truth is it isn't the rain

Going Postal Willie R. Hargis, 2022-02-04 This memoir is a riveting account of my journey to become one of America's finest a paratrooper and a Special Forces Green Beret This memoir will also take you through the very highs and very lows in working for the Postal Service If you have heard the phrase *Going Postal* I will give you tantalizing stories that will place you there with me as I attempted to navigate the mine fields of the Postal Service After retiring from the Postal Service with time on my hands I started reminiscing about our dog Sparky who we recently put to sleep and the crazy things the dog had gotten into over the 20 years of his life After authoring stories about Sparky and enjoying doing so I turned my attention to my military and Postal careers realizing I had so many interesting stories to tell about those experiences With the combination of my military and Postal experiences and the stories associated with each you will either feel sorry for me or feel sorry for those I encountered In titling my book *Going Postal* I wanted to provide a different point of view of the phrase mainly because it implies dangerous or unstable people work for the Postal Service My stories will either confirm that belief or give you another perspective of a postal worker The stories I share in this book are funny daring disappointing revealing

insightful and most of all I believe entertaining You will travel with me through basic training advanced infantry training paratrooper jump school training Special Warfare school in addition to uncountable challenging situations the Postal Service presented You will then understand why I decided to Go Postal *The Truth Behind Going Postal* Garland D. Lewis, Sr.,2017-10-27 Over six hundred thousand people work for the US Postal Service Many are among the nine million Vietnam era veterans who returned to a nation indifferent or even openly hostile to their experiences Garland D Lewis Sr was one of these veterans After being honorably discharged from the Navy he returned to Denver Colorado proud of his service It appeared that no one else was until he was offered a position with the USPS in 1980 He found that despite a toxic culture and adverse conditions it was one of the few organizations offering a middle class lifestyle to African Americans and a chance at the American dream for veterans His plan was to put the time in stay focused on his duties and retire He soon realized how unrealistic demands and abusive management practices could push employees to their limits leading to tragedy As he examines the incidents that led to the coining of the phrase going postal he doesn't focus on the who of the situation but the why Why so many mental breakdowns in the USPS What kind of culture fostered frustration and anger Lewis's look at going postal is an examination of the USPS and American culture **Going Postal** Delores DeSio,2022-08-01 This is the story of a man who at age fifty found his world crashing in on him In addition to losing his job he found that he was afflicted with a heart condition that could be fatal within five years Rather than sitting back and awaiting the arrival of the Grim Reaper he elected to start a new career in franchising cofounding a retail concept that had never been tried With the assistance of new medications and numerous groundbreaking surgeries he continued to lead the fledgling company for twenty years building an international network of retail private postal facilities that now exceed six thousand outlets spanning the whole globe The purpose of this book is to provide encouragement to individuals who have arrived at middle age and feel that life has passed them by that their unrealized goals in life are now unachievable We agree with that sage Yogi Berra It ain't over till it's over

Going Postal for Auntie Sam Margaret Krivicic,2023-10 About the Book This book has been 50 years in the making Today's social climate the passage of time and the privatization of the US Postal Service have finally made it possible for Margaret Krivicic to share her memoir with the world What was it like for a pioneering woman working as a letter carrier in the man's world of a Brooklyn NY Post office in 1969 What was it like being a carrier during the famous Postal Strike of 1970 What nefarious activities were afoot at the station This is her true story of what happened during her 7 years at the Cypress Station Federal Post Office While other women were prevented from entering the station Krivicic was discriminated against harassed held at gunpoint threatened with rape groped and assaulted all while wearing the uniform of the United States Postal Service How could one woman endure it alone Discover the circumstances that drove her to compulsively ruminate about a vengeful attack against the postal perpetrators and what kept her from following through on her plans in this unique and inspiring memoir About the Author A vivacious and good natured woman of 80 years Margaret Krivicic is an Ohio State

graduate who consistently tries new things and delights in meeting new people She is an excellent cook an avid reader and has taken up painting family portraits as a hobby at age 78 Krivicic and her husband of over 50 years enjoy traveling and the great outdoors They have a daughter and a son Going Postal-- the Tip of the Iceberg Al Ainsworth,2002 *Going Postal* S. Basu,Judy Kelly,J. Cannon,Joseph Radko,Spencer Stephens,Stella Donovan,2016-04-09 Have you ever received a mystery in the mail Remember the anticipation of the discovery inside Here are six stories of the unexpected arriving by post The mail can bring boxes containing the raw ingredients for happy birthdays and joyful holidays wrapped in colors or the envelope bearing loops of blue ink on vellum handwritten by an adoring lover And yet it can also bring more bills than can be paid a summons to appear in court a package of incriminating photographs or an anonymous ransom note Even as existence becomes increasingly electronic the arrival of the little white truck can inspire both delight and dread On these pages six up and coming fiction writers step away from the expanding chitter chatter of the digital and into the diminishing world of the mail a world that one day might be remembered only for the stories it left behind
