Going To Iran:

Going to Iran Kate Millett, 1982 A new book by Kate Millett one of our most important feminists is always a major literary event and *Going to Iran* illustrated with dramatic photographs by Sophie Keir is a powerfully political and beautifully written work Iran has been in the international headlines continuously for more than three years the Shah's expulsion his sickness and death the struggles before the Ayatollah Khomeini dropped the curtain to the world the taking of the hostages Millett had worked for many years with a humanitarian group of Iranian dissenters CAIFI the Committee for Artistic and Intellectual Freedom in Iran which protested conditions under the Shah After his downfall when Iran was poised between a new democracy and religious totalitarianism Iranian feminists sent an urgent plea to their sisters around the world as they began to organize an Iranian women's movement to protect their threatened rights Kate Millett and Sophie Keir answered the call and they were among the very few Americans to see that nation in the nascent stages of revolution *Going to Iran* is the dramatic highly personal account of their extraordinary stay in the new Iran where they made friendships with courageous Iranian women but where they were defamed and threatened with death where one can get seventy five lashes for taking a drink where homosexuals and children are arbitrarily executed Millett decries the Shah who presented a civilized face to the world but kept vats of acid to dispose of his torture victims but she decries the Ayatollah as well for sanctioning the fanaticism of Moslems who disrupt women's rallies attacked women demonstrators even schoolgirls and threatened all those who refused to wear the chador veil which the new regime has made a compulsory symbol of female submission

Going To Iran Introduction

In the digital age, access to information has become easier than ever before. The ability to download Going To Iran has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Going To Iran has opened up a world of possibilities. Downloading Going To Iran provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Going To Iran has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Going To Iran. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Going To Iran. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Going To Iran, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Going To Iran

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
