World War II Goes to the Movies & Television Guide Volume I A-K Terry Rowan,2012-01-17 A Complete Film Guide to motion pictures and television shows that pertain to WWII Facts and stories about Hollywood personal that served in the Armed Forces War Bond drives USO shows Hollywood Canteen and those who were ruled 4 F during the war Complete history of world cinema during the years of the war As well as other interesting facts are also included in the first volume Featurine shorts cartoons documentaries and feature films Don t forget to get the second volume L Z *Soft News Goes to War* Matthew A. Baum,2011-10-16 The American public has consistently declared itself less concerned with foreign affairs in the post Cold War era even after 9 11 than at any time since World War II How can it be then that public attentiveness to U S foreign policy crises has increased This book represents the first systematic attempt to explain this apparent paradox Matthew Baum argues that the answer lies in changes to television s presentation of political information In so doing he develops a compelling byproduct theory of information consumption The information revolution has fundamentally changed the way the mass media especially television covers foreign policy Traditional news has been repackaged into numerous entertainment oriented news programs and talk shows By transforming political issues involving scandal or violence especially attacks against America into entertainment the soft news media have actually captured more viewers who will now follow news about foreign crises due to its entertainment value even if they remain uninterested in foreign policy Baum rigorously tests his theory through content analyses of traditional and soft news media coverage of various post WWII U S foreign crises and statistical analyses of public opinion surveys The results hold key implications for the future of American politics and foreign policy For instance watching soft news reinforces isolationism among many inattentive Americans Scholars political analysts and even politicians have tended to ignore the soft news media and politically disengaged citizens But as this well written book cogently demonstrates soft news viewers represent a largely untapped reservoir of unusually persuadable voters *The War of the Rebellion* United States. War Dept,1897 FDR Goes to War Burton W. Folsom,Anita Folsom,2011-10-11 From the acclaimed author of New Deal or Raw Deal called eye opening by the National Review comes a fascinating expos of Franklin Delano Roosevelt s destructive wartime legacy and its adverse impact on America s economic and foreign policies today Did World War II really end the Great Depression or did President Franklin Roosevelt s poor judgment and confused management leave Congress with a devastating fiscal mess after the final bomb was dropped In this provocative new book historians Burton W Folsom Jr and Anita Folsom make a compelling case that FDR s presidency led to evasive and self serving wartime policies At a time when most Americans held isolationist sentiments a backlash against the stunning carnage of World War I Roosevelt secretly favored an aggressive interventionist foreign policy Yet throughout the 1930s he spent lavishly on his disastrous New Deal programs and slashed defense spending leaving America vastly

unprepared for Japan s attack on Pearl Harbor and the challenge of fighting World War II History books tell us the wartime economy was a boon thanks to massive government spending But the skyrocketing national debt food rations nonexistent luxuries crippling taxes labor strikes and dangerous work of the time tell a different story one that is hardly the stuff of recovery Instead the war ushered in a new era of imperialism for the executive branch Roosevelt seized private property conducted illegal wiretaps tried to silence domestic opposition and interned 110 000 Japanese Americans He set a dangerous precedent for entangling alliances in foreign affairs including his remarkable courtship of Russian dictator Joseph Stalin while millions of Americans showed the courage perseverance and fortitude to make the weapons and fight the war Was Roosevelt a great wartime leader as historians almost unanimously assert The Folsoms offer a thought provoking revision of his controversial legacy FDR Goes to War will make America take a second look at one of its most complicated presidents
