Spiritual Poetry inspired by Mother Nature Kwabena Osei, 2013-12-13 When one is been robbed of all his properties by darkness including his soul and all his entire life and family he cannot fight darkness to reclaim all what he is being robbed He is totally defeated because the power of darkness is stronger than him Sitting in limbo for someone to bail you from your misery which you call it a miracle in a matter of a second is insignificant What we should understand is driving a negative energy force out of the front door another negative force enters through the window with an angelic appearance with sweet melody of the taste of music you would like to hear So waiting and sitting in limbo and depending on someone to bail you

are living in a fantasy world that consists of hallucinated clergy and day dreamers No one can create a paradise for you rather it is you who hold the key to your freedom and eternity When darkness steals all your properties and soul just hang all your worries just like one hangs his clothes on a wall Fight cling to the universal light for we do look or search for our missing items in darkness with the light You cannot fight darkness with darkness neither quench fire with fire but with water Light is the main source and a combatant to darkness Without light in you no matter what miracle for a better change sooner or later the negativity covers or takes back the center seat But once you fight to claim an unquenchable light there will be no more loopholes in you or a back door for the return of darkness To survive all the great battles you must conquer and rule yourself with the inner peace of light to reinstate the lost innocence that is not borrowed identity but the undefiled Peace and love Amen Amen Amen
