## **Golden Age Of Waterskiing:**

The Golden Age of Waterskiing Kevin Desmond, 2001-08 Break out the suntan oil and wax the skis for this nostalgic look back at one of America's favorite summertime staples From the first intrepid weekend warriors to strap on their snow skis and lash a length of rope to the back of their buddies boats through the fabulous resort town waterski shows of the 1950s and 60s this comprehensive history features a wealth of evocative period photography in both color and black and white Special focus is given to the development of equipment from the turn of the century to the 1960s the rise of competitive skiing and waterskiing as entertainment

The Golden Age of Water-Skiing Kevin Desmond, 2004-04-01 Aquaplaning and then water skiing developed from the early 1920s This vol covers modern skiing in California then on the French Riviera in the 1930s At first the recreation of a small and wealthy elite water skiing became a top competitive sport as well as a symbol of the post war leisure class The beautiful water ski ballerinas Cypress Gardens in Florida rivaled even the charm and daring of Hollywood starlets in Technicolor This book helps us re live the most varied aspects of this sport in a moving and spectacular way It passes from the comical nature of the most bizarre inventions to a tribute to the greatest modern champions beginning with the most titled of all Frenchman Patrice Martin who has contributed an introduction 100 color and B W photos

**Crude Oil, Crude Money** Thomas W. Lippman, 2019-05-03 The untold story of how Exxon Mobil Chevron and Texaco teamed up with the CIA and Department of State to thwart the plans of Greek shipping magnate Aristotle Onassis who almost managed to reshape the Middle East In 1954 Aristotle Onassis long before he married Jacqueline Kennedy made a bold business gamble he tried to corner the crude oil shipping market by signing a deal with the King of Saudi Arabia If it had worked it would have reshaped the history of the Middle East As it was the proposed deal terrified British and U S oil companies and the Dulles brothers who saw it as the first move in the nationalization of Saudi oil Complicating things was the burgeoning Arab nationalist movement led by Egypt's newly elected president Gamal Nasser And of course there were the Soviets now without Stalin eager to build influence in the region This little known story about the collision of nationalism money celebrity and oil sheds new light on the tangled history of the Middle East Drawing on the author's immense knowledge of the Middle East and original research incorporating unexplored declassified documents the book is an eye opener for students of U S foreign policy anyone interested in the global oil business and scholars and historians of the role of the U S in the Arab world
