Golden Horns:

The Golden Horns John L. Greenway, 1977 As an introduction to modern myth The Golden Horns masterfully encompasses a wide circle of historical and literary materials John Greenway first establishes the theoretical base of his discussion by examining the nature of time in Norse mythic consciousness After suggesting several ways in which the mythic apprehension of reality conditioned medieval Icelandic narrative he then elaborates on the dialectical relationship between myth and reason Maintaining that myth is neither true nor false but always either expressive or not the author then traces the origin rise and fall of two great modern myths of northern birth seventeenth century Swedish Gothicism and the Ossianic craze of the eighteenth century both of which illustrate the singular tension in the modern mind between mythic imperatives and the impulse to de mythologize Finally The Golden Horns traces the romantic belief in a new mythology which synthesizes myth and reason from its early acceptance through its eventual repudiation In his conclusions about the state of myth in the modern world Greenway postulates that we have inherited the romantic respect for myth as truth but lack the romantic faith in transcendence necessary to establish myth's reality Consequently we express our mythic consciousness of who we are in quasi scientific language consciously manipulating mythic symbols for social control

Gudme Palle Østergaard Sørensen, 2022-09-15 Gudme The Iron Age Settlement and Central Halls presents describes and interprets the many finds and structures that have been comprised during the extended excavations at the central parts of the Gudme locality on southeast Funen Denmark Head of excavation Palle Østergaard Sørensen extracts combines classifies dates and temporalizes the many finds and houses from the excavations Gudmehallerne Gudme III Gudme IV Since the 19th century the Gudme area has been known as one of the richest prehistoric localities in Scandinavia and more than 1 000 roman coins close to 600 fibulas as well as several small mask and animal figurines form part of the Gudme find assemblage From AD 200 to AD 600 the site expanded rapidly and covered as much as one square kilometer comprising up to 50 farmsteads At the individual farms specialized craftsmanship can be found and the debris and tools of gold and silversmiths as well as bronze casting is abundant here bronze fragments often from statues imported from the Roman Empire form a distinct category of finds bearing witness to a flourishing and innovative world of craftsmanship as well as an extensive trade network During this period the unique and monumental halls with the largest being 47 m long and 10 m wide dominated the hilltops east of Gudme lake Just to the south a smaller building accompanied the large hall and had been purposely demolished and rebuilt several times at the exact same spot The unusually large entrances to the two adjoined buildings lead straight from one to the other thus witnessing a duality of buildings that came to define the

aristocratic localities throughout Scandinavia in the following 800 years Hence Gudme represents a starting point for a significant type of architectural ideal as well as a first generation of central places [Lonely Planet Slovenia](#) Lonely Planet, Carolyn Bain, Steve Fallon, 2016-05-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Slovenia is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Stroll the leafy streets of Ljubljana dive into the great outdoors at Lake Bled or sip some of the world's best Merlot in Vipava all with your trusted travel companion Get to the heart of Slovenia and begin your journey now Inside Lonely Planet Slovenia Travel Guide Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history art literature cinema music architecture politics sport cuisine wine customs Over 30 maps Covers Ljubljana Skofja Loka Lake Bled Bohinj Kranjska Gora Triglav National Park Soca Valley Vipava Valley Lipica Piran Postojna Rogaska Slatina Prekmurje and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing The Perfect Choice Lonely Planet Slovenia our most comprehensive guide to Slovenia is perfect for both exploring top sights and taking roads less travelled Looking for more extensive coverage Check out Lonely Planet's Eastern Europe Central Europe or Mediterranean Europe guide Authors Written and researched by Lonely Planet About Lonely Planet Since 1973 Lonely Planet has become the world's leading travel media company with guidebooks to every destination an award winning website mobile and digital travel products and a dedicated traveller community Lonely Planet covers must see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves Important Notice The digital edition of this book may not contain all of the images found in the physical edition [Myths and Folk-tales of the Russians, Western Slavs, and Magyars](#) Jeremiah Curtin, 2020-09-28 I remember well the feelings roused in my mind at mention or sight of the name Lucifer during the earlier years of my life It stood for me as the name of a being stupendous dreadful in moral deformity lurid hideous and mighty I remember also the surprise with which when I had grown somewhat older and begun to study Latin I came upon the name in Virgil where it means the Light bringer or Morning star the herald of the sun Many years after I had found the name in Virgil I spent a night at the house of a friend in Milwaukee Wisconsin right at the shore of Lake Michigan The night was clear but without a moon a night of stars which is the most impressive of all nights vast brooding majestic At three o'clock in the morning I woke and being near an uncurtained window rose and looked

out Rather low in the east was the Morning star shining like silver with a bluish tinge of steel I looked towards the west the great infinity was filled with the hosts of heaven ranged behind this Morning star I saw at once the origin of the myth which grew to have such tremendous moral meaning because the Morning star was not in this case the usher of the day but the chieftain of night the Prince of Darkness the mortal enemy of the Lord of Light I returned to bed knowing that the battle in heaven would soon begin I rose when the sun was high next morning All the world was bright shining and active glad some and fresh from the rays of the sun the kingdom of light was established but the Prince of Darkness and all his confederates had vanished cast down from the sky and to the endless eternity of God their places will know them no more in that night again They are lost beyond hope or redemption beyond penance or prayer I have in mind at this moment two Indian stories of the Morning star one Modoc the other Delaware The Modoc story is very long and contains much valuable matter but the group of incidents that I wish to refer to here are the daily adventures and exploits of a personage who seems to be no other than the sky with the sun in it This personage is destroyed every evening He always gets into trouble and is burned up but in his back is a golden disk which neither fire nor anything in the world can destroy From this disk his body is reconstituted every morning and all that is needed for the resurrection is the summons of the Morning star who calls out It is time to rise old man you have slept long enough Then the old man springs new again from his ashes through virtue of the immortal disk and the compelling word of the star Now the Morning star is the attendant spirit or medicine of the personage with the disk and cannot escape the performance of his office he has to work at it forever So the old man cannot fail to rise every morning As the golden disk is no other than the sun the Morning star of the Modocs is the same character as the Lucifer of the Latins
