*The Making of "This Side of Paradise"* James L. W. West, III, 2016-02-04 To write it took three months to conceive it three minutes to collect the data in it all my life So said F Scott Fitzgerald regarding *This Side of Paradise* the novel he began writing in November 1917 and published on March 26 1920 *This Side of Paradise* launched Fitzgerald as the Prophet of the Jazz Age and the spokesman for his generation It is still one of the major reasons for his fame

today The story of how Fitzgerald wrote and published the book is fascinating In *The Making of This Side of Paradise* James West studies the inception composition publication and textual history of the novel He traces its growth from its earliest version entitled *The Romantic Egotist* to its final published form Based on preserved documentary evidence fragments of *The Romantic Egotist* the manuscript of *This Side of Paradise* surviving correspondence and other papers this volume blends the techniques of biographical critical and textual scholarship to tell the story of the making of the quintessential novel of the twenties

*The Prose Elegy* John B. Vickery, 2009-05-15 Traditional English poetic elegists offer both writers and readers hope After lamenting an individual's death and confronting the mortality of all living things these poets seek consolation from religion philosophy or culture for the inevitability of death The modern prose elegy however follows a different path one that determinedly questions all possible resolutions In *The Prose Elegy* John B. Vickery continues the work he began in *The Modern Elegiac Temper* which examined the form in British and American poetry He now considers the works of American and British fiction writers from Henry James to Joan Didion and reveals how the elegy expanded into prose and why it evolved so as to deal not only with death but also with other forms of loss Focusing on individual works Vickery explores both the forms the elegy takes throughout the twentieth century and the skeptical and uncertain attitudes of writers struggling to confront the trauma of loss He offers detailed interpretations of the elegiac components in the works of novelists James Joyce William Faulkner Virginia Woolf and Ernest Hemingway each of whom forged a distinctive style as well as chroniclers of a pervasive stoicism such as Malcolm Lowry and Joan Didion and writers as nuanced as Sherwood Anderson F. Scott Fitzgerald James Agee and Ford Madox Ford For these writers Vickery shows sorrow intrudes upon the personal intellectual and cultural aspects of daily living By exploring how loss touches each of these areas their books probe intellectual boundaries and discover new elegiac themes Truman Capote and John Updike for example view memory which can disappear quickly as inherently sad They therefore elegize memory What consoles writers of the modern elegy changes too In place of Milton's religion or Shelley's philosophy twentieth century writers also seek comfort from what also saddens them family marriage and ideas of the self In *The Prose Elegy* Vickery convincingly demonstrates that the elegy remains a dominant mode throughout British and American literature with perhaps greater pertinence to our lives than ever before
