Goldoon And Professor Memoirs And Reflections Of A Bicultural Marriage:

Goldoon and Professor Bahman Shahzadi, Jacqueline Buckman Shahzadi, 2003 A stash of historic letters is the starting point for this intimate view of life in pre Revolutionary Iran The authors Jackie and Bahman Shahzadi use excerpts of their old letters to peer into the past and examine the relationship that became a 35 year marriage For young American born Jackie the challenges of adapting to life in Iran were complicated by marrying into Zoroastrianism a religion forbidding both conversion and interfaith marriage Their life in Iran spans the political life of the Shah from coronation to overthrow This conversational narrative chronicles the effects of these outside influences on this bicultural union including ultimately exile from Iran in the midst of the Revolution

Intercultural Marriage Dugan Romano, 2008-08-18 An insightful look at the stresses and challenges of intercultural relationships from one who has been there Today we live in a world without borders a global village Distance no longer defines who we meet fall in love with or marry The Internet and e mail connect people around the world in seconds Immigration study abroad travel and multinational business have created a thriving cross cultural community But the experiences shared across cultures and countries do not always bridge the fundamental differences in beliefs and behaviors that span diverse cultures In Intercultural Marriage Dugan Romano delivers a reality check for anyone already in or contemplating an intercultural marriage This insightful book interweaves lessons learned from others and suggests that the joys of an intercultural marriage often result from turning the challenges of crossing cultures into an opportunity for a fulfilling and lasting relationship Now in its third edition Intercultural Marriage examines the impact of cultural differences in marriage and offers practical guidelines on how to deal with the complexities they bring to a partnership Covering such topics as raising bicultural children religion values male vs female roles sex and social class Romano continues to give voice to hundreds of couples she has interviewed and followed for over a decade
