**Goldrush Doctors at Ballaarat** Keith Macrae Bowden,1977      Eureka Stockade Gregory Blake,2012-10-31 Eureka Stockade A ferocious and bloody battle is the epic account of the battle for the Eureka Stockade an iconic moment in Australian history On the chilly dawn morning of 3 December 1854 British soldiers and police of the Victorian colonial government attacked and stormed a crudely built fortification erected by insurgent gold miners at the Eureka lead on the Ballarat Gold Diggings The fighting was intense the carnage appalling and the political consequences of the affair profound This book for the first time examines in great detail the actual military events that unfolded during the twenty minutes of deadly fighting at Eureka      **Ballarat and the Great Gold Rush According to the Richard Mahony Trilogy** Sten Bodvar Liljegren,1964      Victorian Year-book ,1979      Eureka John C. Molony,John Neylon Molony,2001 Before dawn on 3 December 1854 colonial troopers at Ballarat attacked a group of gold miners who had thrown up a stockade in defiance and defence Some diggers had guns but many were unarmed some twenty of them were killed along with four troopers In the decades that followed the truth of what happened that morning became obscured by partisans on both sides For many years the Eureka Stockade was regarded as a shameful event and almost forgotten more recently it has been celebrated as a righteous stand against injustice John Molony s Eureka vividly recreates the story of Eureka and unravels the myths that have come to surround it This new edition of Molony s classic work now beautifully illustrated with historic Eureka images will be welcomed by everyone with an interest in the history of Australian democracy      **Disease, Medicine and Empire** Roy Macleod,Milton J Lewis,2022-05-24 Originally published in 1988 the essays in this book focus primarily on colonial medicine in the British Empire but comparative material on the experience of France and Germany is also included The authors show how medicine served as an instrument of empire as well as constituting an imperializing cultural force in itself reflecting in different contexts the objectives of European expansion whether to conquer to occupy or to settle With chapters from a distinguished array of social and medical historians colonial medicine is examined in its topical regional and professional diversity Ranging from tropical to temperate regions from 18th Century colonial America to 20th Century South Africa this book is an important contribution to our understanding of the influence of European medicine on imperial history      A Major Collection of Rare Australian, Pacific Voyages, and Other Books Gaston Renard Fine and Rare Books,1988      **A Lady's Visit to the Gold Diggings of Australia in 1852-53** Mrs. Charles Clacy,2019-11-27 In A Lady s Visit to the Gold Diggings of Australia in 1852 53 Mrs Charles Clacy offers a captivating firsthand account of her travels in a male dominated landscape during the Australian Gold Rush Written in an engaging and accessible narrative style the book balances vivid descriptions of the rugged Australian outback with keen observations of social dynamics among gold diggers and settlers Clacy s prose is infused with a distinct Victorian sensibility exploring themes of gender roles exploration and the complexities of colonial society while also contributing to the broader discourse of travel literature in the 19th century Mrs Charles Clacy
