Harmon,2006-05-09 Butch Harmon is the world's number one golf coach. He taught Tiger Woods through one of the greatest stretches of victories in golf history and perhaps even more conspicuously did not teach Tiger Woods following his unprecedented run as well as superstars like Greg Norman, Adam Scott, Fred Couples, Darren Clarke, Natalie Gulbis, and Davis Love III. How did he become such a legendary teacher and mentor? The answer is simple: He learned from watching his father. The Harmons are the First Family of golf, and Claude Harmon Sr. was the greatest of them all. His skill as a player, an innovator, a teacher, a devoted father, a loyal friend, and a peer of giants such as Ben Hogan has gone largely unappreciated by all but those who knew him best. In this book, by his son, he finally gets his due. In *The Pro*, Butch Harmon paints a compelling portrait of an era in sports before the emergence of big media and bigger money, and shows how the lessons he learned about life and golf at his father's knee made him the man he is today. *The Pro* is both a family and a golf memoir, as well as an inside look at what it takes to teach the Tigers of the world. It describes how Butch and his brothers, who are also teachers, transfer their father's unique wit, wisdom, and philosophy to the next generation of golfers. Sometimes their advice relates to the game, sometimes they simply offer words of encouragement and motivation, sometimes they make pointed criticisms intended to shock their students into focus, and sometimes they try to impart simple advice about walking around through life. The Harmon brothers are teachers who share a special quality. All of their lessons are passed down from their father. Millions of golf fans know Butch Harmon; many are even familiar with his father and brothers. But never before have we been given such an intimate look at life among the legends of golf. *The Pro* is the story of an extraordinary father and son that will resonate with anyone who has ever looked back on life and recognized the wisdom of their parents' teachings. Golf's hard Dad would say, pointing a meaty finger at me as if he were about to reveal the secret of the Rosetta Stone: Good golf is damn hard, and championship golf is something only a few will ever see. But that's how it should be. If it were easy, everybody would do it. And where's the fun in that? From Butch Harmon, the world's number one golf coach, comes the inside story of how he learned everything he knows about golf and life from his father, Claude Harmon Sr. Both a family memoir and a reminiscence of growing up among the legends of sport, *The Pro* is a portrait of one extraordinary family and the game that will carry their legacy for years to come. *Embedded Balls*

Peter Jacobsen, Jack Sheehan, 2006-10-03 From one of golf's funniest, most popular players comes another hilarious look inside the pro sport and the people who play it. For nearly thirty years, Peter Jacobsen, player, entertainer, off-color commentator, TV host, golf course designer, and entrepreneur, has been a favorite of fans and fellow golfers. Since his first book, *Buried Lies*, was published in 1993, a lot has happened to him, to his colleagues, and to the game itself, so it's high time he launched a mulligan. From Jack Nicklaus to Michelle Wie, Tiger Woods to Vijay Singh, Jacobsen takes you behind the scenes of the pro tour like no one else can, as he tells you what it's like to play the PGA and Champions tours simultaneously, how John Daly nearly decapitated a spectator, what players really say to each other in the locker room, why you should never loan your caddy to Tiger Woods, what made Arnold Palmer change his shorts, and how

Walking with Friends D. J. Gregory, Steve Eubanks, 2009-05-05

In *Walking with Friends*, D. J. Gregory, a thirty-year-old who has cerebral palsy, describes his year of traveling with the PGA tour and walking every course. For D. J., this experience has been the fulfillment of a lifelong dream as well as a search for inspiration, but it has also become a source of inspiration for countless others. D. J. started watching golf with his father when he was twelve years old. While becoming a professional player, joining the amateur ranks, or even becoming a caddy were never realistic considerations because of his cerebral palsy, being able to walk the courses that the golfers D. J.'s heroes played was a dream D. J. never gave up on. Over the course of the 2008 PGA tour, D. J. teamed up with the PGA and made his dream come true. It was the ultimate challenge: D. J. compares walking 18 holes of golf for him to running a 10K with a couple of sandbags tied around your waist. He walked each round four tournament rounds plus a practice round of every tournament and the ultimate journey. At each of the PGA Tour events, D. J., with the help of a cane, walks the course and counts each step and each fall alongside a different golfer. Filled with detailed descriptions of the courses and tournaments as well as revealing conversations with players, *Walking with Friends* is a one-of-a-kind story about tough lies, majestic greens, colorful characters, and the walk of a lifetime.
