Ski ,1998-05 **The Triangle Golf School** Kenrick Oliver Smith,2013-07-20 Hi I am Kenrick Smith USGTF Certified Head golf coach and Founder of The Triangle Junior Golf School Cary NC It is my passion to help golfers of all ages

backgrounds and abilities to play their best In all my years of teaching golf I am still amaze at how difficult some golf coaches and other golf professionals make learning golf out to be Now I do not want to under estimate or miss lead anyone into thinking that golf is an easy sport to learn without commitment But I do not want anyone to believe that they need to have some special gifting to learn golf either Once you are able to understand a few things about the golf swing and what makes it work you will see that anyone can learn to play great golf As with most things in life if you have no idea where you are going you re unlikely to know when or whether you ve arrived Here at our golf school we teach all of our students to understand and to know where they are going with their golf swing Once you know and understand where you are going in life and with your golf swing it makes it easier and stress free to get to your desired destination At The Triangle Junior Golf School we believe that it is imperative that all of our students know where they are going with their golf swing because we want them to enjoy their ride Hence I came up with what I call Position Golf Position Golf is teaching our students to know what the correct position their body should be in when they do take a good swing After studying the world s top 100 golfers and noticing that they all had 10 things in common with their golf swing I came up with what I call Ten Steps to a Great Golf Swing Once you would have gone through the ten steps in this book and the ten golf positions I promise you will not only look like a golfer but most importantly you will also feel like a pro I have been using these very same techniques and practice methods for the past 12 years and they work Beginner golfers and weekenders alike who have gone through our classes young and old have significantly cut down on the amount of time it would have taken the average person to learn and play good golf As a student you will be given golf drills to simulate and repeat over and over again as to build muscle memory and feel Soon your body and mind will get to know what the correct golf swing feels like positionally and mentally Therefore giving you self confidence an understanding to play great golf Coach K **Traveling Solo** Eleanor Berman, 2008-08-03 The ultimate guide to traveling alone Traveling Solo offers advice and ideas for more than 250 trips for solo travelers including suggested vacations as varied as the ages budgets tastes and interests of millions of singles
