The Four Magic Moves to Winning Golf Joe Dante, 1995-05-15 The legendary golf instructional available again This is along with Harvey Penick s Little Red Book THE book Golf professionals turn to Thirty years ago I was recommending Joe Dante s book The Four Magic Moves To Winning Golf as a must read for aspiring PGA professionals What Dante said in 62 has influenced many of the game s finest teachers Dante was a visionary Gary Wren author of New Golf Mind When published The Four Magic Moves To Winning Golf radically changed the way many players thought about the golf

swing Dante's system showed how simple it was to improve one's game and at the same time gave the golfer one of the most comprehensive analyses of swing mechanics ever published. Now thirty three years after its original publication Main Street is proud to reissue this classic instructional. Dante begins by sweeping out all the misconceptions of the game. If good golf is to be learned and the poor player is to improve a purging must take place. Painful as it may be, Dante discusses a few basics of grip and stance and then he gets to the heart of his book the four magic moves. As he reveals each of the moves, Dante focuses on the physical checkpoints so that any golfer can make sure that his or her swing is on the right track. The Four Magic Moves To Winning Golf is straightforward and easy to understand yet unlike other golf books it is irreverent and audacious in its approach to mastering the game. The publication of this rediscovered classic is sure to establish Joe Dante's reputation as one of golf's greatest teachers.

He has to learn the ins and outs of televising golf and how to deal with the hyper intense executive producer and director Ben the Assassin Oswald as they get ready to broadcast the PGA Championship staged at international developer Conrad Gold's luxury club in upstate New York. And then the bodies begin to pile up. First is a fellow announcer on the crew then the assistant to Oswald in the control room. So as Hacker trades quips in the booth with Billy Joe the Boz Bosworth he's gotta figure out who's killing the network guys one by one. It's another golf crazy mystery from the author Golfweek Magazine calls the Dick Francis of golf.
