**US Marine vs NVA Soldier** David R. Higgins,2015-08-20 In 1967 68 the United States Marine Corps USMC was on the front line of the defence of South Vietnam s Quang Tri province which was at the very heart of the Vietnam conflict Facing them were the soldiers of the North Vietnamese Army NVA men whose organization and equipment made them a very different opponent from the famous irregular Viet Cong forces From the Hill Battles in April 1967 to the struggle for the city of Hue January March 1968 this bloody campaign forced the two sides into a gruelling trial of strength The USMC held a general technological and logistical advantage including close air support and airborne transport technology and supplies but could not always utilize these

Gardner Martin Kelley,2011-12-14 This story happened between 1714 and 1718 In this story of mine I have changed the way that Blackbeard was supposed to be killed and the story I have written just might be the way Blackbeard died I have tried to put together a story from what I have read and what I have learned on the waterways from my adventures and experiences of living and traveling on the water The Outer Banks are filled with the fruits of Gods larder One had only to use skill and daring moves to

survive in these days on the waterways The story starts as Blackbeard the pirate glared across the campfire The boy hidden in the bushes that could not be seen was scared There would be no mercy for him if he was discovered He learned how to hide and spy on his enemies from the Indians on the Outer Banks The boy had just turned 14 years old he was looking across the fire at Blackbeard and his motley crew in the background What his eyes focused on was the prettiest thing he had ever seen She was partly dressed in a gown of blue and trimmed with silver Her dark eyes flashed in defiance to what the pirate was saying Her pretty red lips snarled in scorn and how much ransom do you think you will get if you have your way with me and then throw me to your crew The smoke from the fire baffled and the boy took this time to back away and get out of the bushes He made himself a promise he would free this captive for himself or his bones would lie forever in the sands along the shore Now he would try to prove his manhood

**The Yankees vs. Red Sox Reader** Mike Robbins, 2010-04-01 From Yankee Bucky F. Dent's spirit-shattering home run in the 1978 American League East playoff to Aaron Boone's pennant-winning blast for the Bombers twenty-five years later from Roger Clemens's treasonous signing at least in Red Sox country with the Yankees in 1998 to the infamous Curse of the Bambino that started it all there is nothing in the history of sports more spirited, vitriolic, romantic and impassioned than the rivalry between the New York Yankees and the Boston Red Sox The *Yankees vs Red Sox Reader* collects the finest writing on what is surely the pinnacle of contentious athletic team competition A rich array of our most gifted sports writers chronicle an enmity that reaches far beyond the playing field as it is interwoven into the mythologies of these two cities and inextricably linked to the identity of the fans that inhabit them Chronicling every cheer, jeer and 1918 the last year the Red Sox won the World Series shouted from Fenway to the Bronx The *Yankees vs Red Sox Reader* is an absolute must for not only the fans of these storied franchises but also anyone interested in the truly epic nature of a great sports rivalry
