Osgood, 2013-11-21 Let them come forward they are thirsty for the sight of a King said Henri IV to his followers who were trying to push back the curious crowds as he entered Paris in February 1594 It is perhaps to be regretted that seven kings to say nothing of two emperors have since more than quenched the French's taste for royalty because they have long been in need of and periodically have sought a symbol of national unity Modern day France has had far more than her share of revolutions counterrevolutions uprisings days coups affairs crises scandals and constitution drafting While it would be an oversimplification to interpret this endemic strife as a seesaw conflict between two well integrated blocs with the ideology of the Great Revolution as the dividing issue the fact remains that since 1789 political divisions and quarrels among Frenchmen have been deep bitter and fundamental After 1870 a Republic may have been the one solution which divided Frenchmen the least to borrow an expression from Monsieur Thiers but like any and all of the preceding alternatives it was to incur the relentless irreconcilable opposition of important segments of the population This study deals with those individuals and organizations which continued to advocate and sought to bring about a return to the monarchy under the Third and Fourth Republics      *Politics of Ideocracy* Jaroslaw Piekalkiewicz, 1995-02-01 Explains why and how ideocratic and totalitarian governments emerge establish themselves evolve eventually collapse and disintegrate or transform themselves into new ideocracies      **The Darkest Side of the Fascist Years** Angelo Principe, 1999 Minor pro-fascist publications that appeared in those years are considered as well Their editorial policy is woven with and presented against the background of the portentous events that shook the world and led to the Second World War BOOK JACKET
