Gone Are The Days:

Gone Are the Days Isaac T. Matlala, 2021-09-24 Chickens have come home to roost for a young man originating from the villages in the northern region of South Africa In the final days of his life Gift Mphaga takes us through a heart piercing journey which is filled with constant flashbacks of his regrettable deeds After he participated in the cold blooded murder of his father the tragedies of his life were further deepened when his mother became mentally ill She later left this earth in a manner that was disturbing and unexpected Since then Gift has been followed by a series of misfortunes It is only now that he realizes how bad were the choices he made during his teenage years but unfortunately for him time can never be reversed

Gone Are the Days Peter Byrne, 2001-01-01 Peter Byrne has led the life most of us can only dream about After WW II he returned to Ireland but being restless he decided to find a job that would take him to exotic lands Using his family s connections he was hired as a manager on a huge Indian tea plantation in the Himalayan foothills a posh job that came with 17 servants and a mansion Almost immediately on arrival he was plunged into Indian jungle hunting his primary love when the local villagers turned to him with a plea to eliminate a rogue boar Read his exciting description of how he jumped from a tree and sliced the boar s skull in two while half the adult males of the village stayed in the trees to watch and cheer him on Share his many adventures in India with tiger elephant and leopard and see how a fortuitous championing of a member of the ruling elite of Nepal during a bar brawl prompted Peter to move to Nepal and become a professional hunter there Move with him to Nepal where he was for years the only authorized professional hunter to operate in that country In the unspoiled wilderness of the White Grass Plains area of Nepal where there were virtually no roads and the natives did not even know the name of the capital of the country he hunted tiger right up till the close of tiger hunting in 1969 Follow his exploits in the Terai forested southlands of Nepal where he encountered a man eater that was eventually killed by a train This is the true life story about a time that now is completely gone a time when virtually no cars were seen in the remote areas of India and Nepal a time when tiger gaur leopard sambar and many other jungle denizens were plentiful beyond description Those days are truly gone Foreword by Charlton Heston
