Good American Speech:

Good American Speech Margaret Prendergast McLean, 1930 The Great American Speech Stephen Fender, 2015-08-15 The land of the free and home of the brave America is also the country in which this truth is supposedly self evident that we are all equal It may not seem so at first but there is a startling gap between these two visions of America one more evident in today's fiercely partisan politics that pit free enterprise against social justice In this fascinating look at America's most memorable speeches which have become monuments in national memory Stephen Fender explores the ways American speechcraft has kept alive a dream of equality and cooperation in the face of economic forces that have favored competition and the pursuit to get ahead Beginning with the early American settlers and the two contrasting visions they set out one competitive the other cooperative Fender traces the development of the latter through a series of dramatic addresses He examines the inaugural speeches of early presidents such as John Adams and Thomas Jefferson moving to Abraham Lincoln's arguments at once logical and passionate for maintaining the Union and then on to the twentieth century's great orators such as John F Kennedy and Martin Luther King Jr He also looks at the notion of the great American speech in popular culture exploring both the usual places such as movie courtroom scenes where it pops up as well as its unexpected ubiquity in adventure films thrillers or any story where equality and justice come under threat Through his exploration of great speeches Fender paints the picture of two simultaneous and free standing visions of American identity offering a sophisticated look at American ideological history **American Heritage Book of Great American Speeches for Young People** Suzanne McIntire, 2002-07-15 The history of the United States has been characterized by fervent idealism intense struggle and radical change And for every critical defining moment in American history there were those whose impassioned voices rang out clear and true and whose words compelled the minds and hearts of all who heard them When Patrick Henry declared Give me liberty or give me death when Martin Luther King Jr said I have a dream Americans listened and were profoundly affected These speeches stand today as testaments to this great nation made up of individuals with bold ideas and unshakeable convictions The American Heritage Book of Great American Speeches for Young People includes over 100 speeches by founding fathers patriots Native American and African American leaders abolitionists women's suffrage and labor activists writers athletes and others from all walks of life featuring inspiring and unforgettable speeches by such notable speakers as Patrick Henry Thomas Jefferson Tecumseh Frederick Douglass Sojourner Truth Abraham Lincoln Susan B Anthony Mother Jones Lou Gehrig Franklin D Roosevelt Albert Einstein Pearl S Buck Langston Hughes John F Kennedy Martin Luther King Jr These are the voices that shaped our history They are powerful moving and above all else uniquely American Great American Speeches Alexandra Hanson-Harding, 1997 Contains excerpts from twenty historical speeches with background information and student learning activities **Great American Speeches** Clarence Stratton, 1921 *The Standard of American Speech and Other Papers* Fred Newton Scott, 1926 **American Speech** Louise Pound, Kemp
