Good Company An Affectionate History Of Union Steamships:

Passage on the Cardena Mel Dagg, 2012 In the summer of 1930 fifteen year old Matthew Clayton's mother dies leaving him alone in Vancouver Using the Union Steamship ticket she gave him he sets out in search of his father who is logging somewhere on the rugged West Coast Matt boards the SS Cardena and begins an incredible voyage up the Inside Passage and through the isolated coastal communities the ship services On board he befriends fellow passengers Monica James and the high rigger Will Cameron both intent on finding a new life and Emily Carr a soon to be famous painter searching for a new direction in her art What each of them finds comes as a surprise as they journey aboard the legendary steamship Cardena

Wish You Were Here Peter Grant, 2002 The images that Peter Grant has collected are mostly previously unpublished and provide fascinating insights into the social history of life on Vancouver Island from 1904 to 1918 The views capture the life and times particularly the parties and pleasures in the Island of this long ago vanished era These remarkable photographs were created by artistic photographers sometimes amateurs who would wander the streets or backcountry looking for business The images were often produced by cameras the likes of which have not been seen for ages and are now collectors prized items Wish You Were Here also gives the reader a full understanding of the process and the history of this overlooked art form

The Good Company Tom Henry, 1994 If British Columbia has a favourite transportation saga it is the story of the legendary Union Steamship Company which operated a float of funky little steamships up and down the BC coast between 1890 and 1955 And if there is a worthy tribute to the Union Steamships it is this generously illustrated history The fascinating story of the legendary Union Steamship Company which operated up and down the BC coast between 1890 and 1955 The Union Steamship Company was an essential part of BC life during the late 1800s and early 1900s For hundreds of people living along the coast of BC the Union Steamship Company was the only link to the outside world In this bright well illustrated genuine history with 100 photographs many of them never published before the heyday of the Union Steamships comes beautifully to life

The Royal Fjord Ray Phillips, 2015-05-02 The most accessible and popular of British Columbia's great scenic fjords Jervis Inlet punches 60 kilometres into the Coast Mountains a day's cruising north of Vancouver It deserves to be called the Royal Fjord on two counts the long zigzagging watercourse is comprised of four segments all with royal names Prince of Wales Reach Princess Royal Reach Queen's Reach and Princess Louisa Inlet and second the inlet possesses a scenic majesty that has made it one of the prime boating destinations on the Inside Passage Author Earle Stanley Gardner was so moved by the beauty of Jervis Inlet that he penned There is no scenery in the world that can beat it Not that I've seen the rest of the world I don't need to Almost deserted now except for Young Life's Malibu Club youth summer camp Jervis Inlet was once the home of large Sechelt Nation villages and later of innumerable homesteads logging camps and fishing communities and even the occasional hangout of golden age Hollywood stars That colourful past comes to life again in this new book by Ray Phillips who grew up in the area and descended from local pioneers Featuring original photos and the

rough hewn memories of some of those early inhabitants along with personal accounts by the author and his father The Royal Fjord makes fascinating reading and fills an important gap in the written history of the BC coast **Canadian Who's Who 2008** Elizabeth Lumley,2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who s Who is an invaluable source of general knowledge The complete text of Canadian Who s Who is also available on CD ROM in a comprehensively indexed and fully searchable format Search astronaut or entrepreneur of the year aboriginal achievement award and Order of Canada and discover a wealth of information Fast easy and more accessible than ever the Canadian Who s Who on CD ROM is an essential addition to your electronic library *Canadian Book Review Annual* ,1994 **Steamboat Bill** ,1997 *Ships Monthly* ,1996 **BC Studies** ,1994 **Canadian Periodical Index** ,1995 *Canadian Books in Print.
