## Good Morning Last Poems:

**Good Morning: Last Poems** Mark Van Doren, 1973 A selection of works written during the last three years of the poet's life that reveals his awareness of death and understanding of life [The Oxford Companion to Modern Poetry in English](#) Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry *Dictionary of Midwestern Literature, Volume 1* Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

*Classical Chinese Literature: From antiquity to the Tang dynasty* John Minford, Joseph S. M. Lau, 2002 Contains English translations of Chinese writings drawn from throughout a period of four hundred years including poems drama fiction songs biographies and early works of philosophy and history arranged chronologically and by genre with introductory quotes and comments **Collected Poems, 1951-2006: C. K. Stead** C. K. Stead, 2014-03-01 This collection of poetry culls Karl Stead's most lasting and memorable works into a single volume Drawn from previously published works though his distinguished career from his debut collection *Whether the Will is Free* to his recent publication *The Black River* this resource also contains 22 previously unpublished poems from his early days [The One Voice of James Dickey](#) James Dickey, 2003 In *The One Voice of James Dickey* Gordon Van Ness skillfully documents James Dickey's growth from a callow teen interested primarily in sports to a mature poet who possessed literary genius and who deliberately advanced himself and his career The letters from 1942 through 1969 depict Dickey gradually establishing a self identity deciding to write struggling to determine a

subject matter and style working determinedly to gain initial recognition and eventually seeking out the literary establishment to promote himself and his views on poetry The letters also portray a complex personality with broad interests acute intelligence and heightened imagination as well as a deep need to re create his past and assume various roles in the present From Dickey s extensive correspondence Van Ness has selected not only those letters that best reveal the chronological development of Dickey s career and his conscious efforts to chart its course but also those that portray his other interests and depict the various features of his personality The letters are grouped by decade with each period placed in perspective by a critical introduction The introductory sections offer a psychological understanding of Dickey s personality by identifying the needs and fears that affected his actions They also explain the American literary and cultural scene that Dickey confronted as he matured Together the letters and commentary yield a sense of Dickey s complex personality both the man as a writer and the writer as a man while arguing that he remained one voice Because how a writer writes the appearance of a writer s words on a page makes a statement the letters are reproduced here without alterations There are no silent deletions or revisions the original spelling and punctuation have been preserved Dickey s letters gathered in *The One Voice* of James Dickey portray a poet s consciousness chronicling its growth and revealing its breadth They do not contain the whole truth but they are what we have Jacket

[The Organization of Distance](#) Lucas Klein, 2018-07-17 What makes a Chinese poem Chinese Some call modern Chinese poetry insufficiently Chinese saying it is so influenced by foreign texts that it has lost the essence of Chinese culture as known in premodern poetry Yet that argument overlooks how premodern regulated verse was itself created in imitation of foreign poetics Looking at Bian Zhilin and Yang Lian in the twentieth century alongside medieval Chinese poets such as Wang Wei Du Fu and Li Shangyin The Organization of Distance applies the notions of foreignization and nativization to Chinese poetry to argue that the impression of poetic Chineseness has long been a product of translation from forces both abroad and in the past
