Seth Jackson Horne, 2006-03-01 Lifelong friends Bob Callaway and Doug Jennings amassed an oil and gas fortune under what some perceived as very strange circumstances Some thought they were just lucky while others believed it was fate that led them to greatness Bob and Doug s friendship began on the first day of college at Louisiana State University when they were assigned the same room in the athletic dormitory Events in their lives continued to link them together like a chain If a single link had been missing there would have been no life long friendship or the establishment of their company LIO SAG Inc The two men s personalities resembled sandpaper one side was smooth but the other was coarse If you were lucky you never experienced the coarse side Through out college they struggle to build their business and maintain their unique friendship and finally they reach success in nearly every aspect of their lives Bob and Doug share a magical quality that keeps them grounded in reality and loyal to each other
